Accessibility Council Minutes – Mar 26, 2013

Welcome to the Newly Formed Council

Michael Stott welcomed everyone to the newly formed council. He explained the appointment process. Craig Carter asked about reaching out to other groups and disability types. Michael S said he asked members to distribute the “Send Me Your Interest” email to identify additional candidates. He said everyone who showed an interest was appointed in one way or another. He suggested that as the council has turnover in the future, that’s the opportunity to diversify the council. He said the newly appointed membership has diverse points of view and that we must form good working relationships and use civil dialogue.

Michael S distributed a roster and asked for any updates to contact information.
