Additional Benefits

Leave of Absence (LOA)
If you cannot return to work at the end of a FMLA or SDI period, you must request a leave of absence from the department director prior to the end of your FMLA job protection. Unpaid/paid leave may be approved in 30 day increments based on the needs of the department, up to a maximum of three months.

Accelerated Death Benefit
In the event of a terminal diagnosis, you may apply for up to 75% of your total life insurance value, including the $50k the city provides through PEHP. The remaining policy will still be paid to your beneficiary.

Through URS, you may also apply for an accelerated death benefit of 75% of your highest annual salary. The remaining policy will still be paid to your beneficiary.

Important: Unpaid Leave
If you are going on unpaid leave, please contact Kate Blackwood to discuss how to continue benefit premium deductions and any other necessary payments.

Employee Rights

Americans with Disabilities Act (ADA)
Under the ADA the City provides reasonable accommodation to an employee with a disability, unless doing so would cause an undue hardship. A reasonable accommodation is any change in the work environment or in the way things are usually done to help a person with a disability perform the duties of a job or enjoy the benefits and privileges of employment. If an employee is disabled or becomes disabled and requires a reasonable accommodation, the employee should contact the EEO Program Manager.
