- J. Vacation Payout at Termination: Employees shall be paid at their base hourly rate for any unused accrued vacation leave time following termination of employment, including retirement.
- K. Vacation Allowance: As a recruiting incentive, the Mayor or the City Council may provide a one-time allowance of up to 120 hours of vacation leave.

SUBSECTION III - SICK AND OTHER RELATED LEAVE OR PERSONAL LEAVE

Benefits in this section are for the purpose of continuing income to employees during absence due to illness, accident or personal reasons. Some of these absences may qualify under the Family and Medical Leave Act (FMLA). The City requires all employees using FMLA leave to exhaust their paid leave allotments for FMLA-qualifying events prior to taking unpaid FMLA leave. Employees are not eligible to earn or receive leave benefits while on an unpaid leave of absence. However, employees on an unpaid military leave of absence may be entitled to the restoration of such leave benefits, as provided by federal law and city ordinance.

Employees hired on or after November 16, 1997 shall receive personal leave benefits under Plan B. All other employees shall participate in the plan they participated in on November 15, 1998. Employees who were hired before November 16, 1997, shall participate in Plan B if they so elected during any City-established election period occurring after 1998.

A. Plan "A"

1. Sick Leave

- a. Sick leave shall be provided for Full-Time employees under this Plan "A" as insurance against loss of income when an employee is unable to perform assigned duties because of illness or injury. The Mayor may establish rules governing the interfacing of sick leave and Workers' Compensation benefits and avoiding, to the extent allowable by law, duplicative payments.
- b. Each Full-Time employee shall accrue sick leave at a rate of 4.62 hours per pay period. For any plan year in which there are 27 pay periods, no sick leave hours will be awarded on the 27th pay period. Authorized and unused sick leave may be accumulated from year to year, subject to the limitations of this plan.
- c. Under this Plan "A," Full-Time employees who have accumulated 240 hours of sick leave may choose to convert up to 64 hours of the sick leave earned and unused during any given year to vacation. Any sick leave used during the calendar year reduces the allowable conversion by an equal amount.
- d. Conversion at the maximum allowable hours will be made unless the employee elects otherwise. Any election by an employee for no conversion, or to convert less than the maximum allowable sick leave hours to vacation time, must be made by notifying his or her Personnel/Payroll Administrator, in writing, not later than the second payperiod of the new

calendar year. Otherwise, the opportunity to waive conversion or elect conversion other than the maximum allowable amount shall be deemed waived for that calendar year. In no event shall sick leave days be converted from other than the current year's sick leave allocation.

- e. Any sick leave hours, properly converted to vacation benefits as above described, shall be taken prior to any other vacation hours to which the employee is entitled; provided, however, that in no event shall an employee be entitled to any pay or compensation upon an employee's separation for any sick leave converted to vacation. Any sick leave converted to vacation remaining unused at the date of separation shall be forfeited by the employee.
- f. Sick Leave Benefits Upon Layoff. Employees who are subject to layoff because of lack of work or lack of funds will be paid at 100% of the hourly base wage rate on date of termination for each accumulated unused sick leave hour.

2. Hospitalization Leave

- a. Hospitalization leave shall be provided for Full-Time employees under this Plan "A," in addition to sick leave authorized hereunder, as insurance against loss of income when employees are unable to perform assigned duties because of scheduled surgical procedures, urgent medical treatment, or hospital inpatient admission.
- b. Employees shall be entitled to 30 days of hospitalization leave each calendar year. Hospitalization leave shall not accumulate from year to year. Employees may not convert hospitalization leave to vacation or any other leave, nor may they convert hospitalization leave to any additional benefit at time of retirement.
- c. Employees who are unable to perform their duties during a shift due to preparations (such as fasting, rest, or ingestion of medicine), for a scheduled surgical procedure, may report the absence from the affected shift as hospitalization leave, with the prior approval of their division head or supervisor.
- d. Employees who must receive urgent medical treatment at a hospital, emergency room, or acute care facility, and who are unable to perform their duties during a shift due to urgent medical treatment, may report the absence from the affected shift as hospitalization leave. The employee is responsible to report the receipt of urgent medical treatment to the employee's Division head or supervisor as soon as practical. For purposes of use of hospitalization leave, urgent medical treatment includes at-home care directed by a physician immediately after the urgent medical treatment and within the affected shift.
- e. Employees who are admitted as an inpatient to a hospital for medical treatment, so they are unable to perform their duties, may report the absence from duty while in the hospital as hospitalization leave.

- f. Medical treatment consisting exclusively or primarily of post-injury rehabilitation or therapy treatment, whether conducted in a hospital or other medical facility, shall not be counted as hospitalization leave.
- g. An employee requesting hospitalization leave under this section may be required to provide verification of treatment or care from a competent medical practitioner.

3. Dependent Leave

- a. Under Plan “A,” dependent leave may be requested by a Full-Time employee for the following reasons:
 - 1) Becoming a parent through birth or adoption of a child or children.
 - 2) Placement of a foster child in the employee’s home.
 - 3) Due to the care of the employee’s child, spouse, spouse’s child, adult designee, adult designee’s unmarried child under age 26, or parent with a serious health condition.
- b. Under Plan “A,” dependent leave may also be requested by a Full-Time employee to care for an employee’s child, spouse, spouse’s child, adult designee, adult designee’s unmarried child under age 26, or a parent who is ill or injured but who does not have a serious health condition.
- c. The following provisions apply to the use of dependent leave by a Full-Time employee:
 - 1) Dependent leave may be granted with pay on a straight time basis.
 - 2) If an employee has available unused sick leave, sick leave may be used as dependent leave.
 - 3) An employee is required to give notice of the need to take dependent leave, including the expected duration of leave, to to his or her supervisor as soon as possible.
 - 4) Upon request of a supervisor, an employee will be required to provide a copy of a birth certificate or evidence of child placement for adoption, or a letter from the attending physician in the event of hospitalization, injury or illness of a child, spouse, spouse’s child, adult designee, adult designee’s child, or parent within five calendar days following a return from leave.
 - 5) An employee’s sick leave shall be reduced by the number of hours taken by an employee as dependent leave.

4. Career Incentive Leave, Plan “A.”

Full-Time employees, who have been in continuous Full-Time employment with the City for more than 20 years, and who have accumulated to their credit 1500 or more sick leave hours, may make a one-time election to convert up to 160 hours

of sick leave into 80 hours of paid Career Incentive Leave. Career Incentive Leave must be taken prior to retirement. Sick leave hours converted to Career Incentive Leave will not be eligible for a cash payout upon termination or retirement even though the employee has unused Career Incentive Leave hours available. This leave can be used for any reason. Requests for Career Incentive Leave must be submitted in writing to the Department Director and be approved subject to the department’s business needs (e.g., work schedules and workloads).

5. Retirement Benefit, Plan “A.”

- a. Persons who retire under the eligibility requirements of the Utah State Retirement System will be paid at their base hourly rate for 25% of their accumulated sick leave hours balance.
- b. In lieu of the above, Full-Time employees may elect to convert 50% of the sick leave hours provided under Plan A to pay for health insurance premiums. Any sick leave hours converted to a dollar allowance are subject to state, federal and social security income tax withholding required by law. Upon an issuance of payment to an employee, the employee shall endorse the payment to the City, which is to be held in a non-interest bearing account from which the City will pay the insurance carrier until the account balance is exhausted. This provision shall not act to reinstate an employee with sick leave benefits which were in any respect lost, used, or forfeited prior to the effective date of this plan.

B. Plan “B”

- 1. The benefit Plan Year of Plan “B” begins in each calendar year on the first day of the pay-period that includes November 15. Under this Plan “B,” paid personal leave shall be provided for employees as insurance against loss of income when an employee needs to be absent from work because of illness or injury, to care for a dependent, or for any other emergency or personal reason. Where the leave is not related to the employee’s own illness or disability—or an event that qualifies under the FMLA—a personal leave request is subject to supervisory approval based on the operational requirements of the City and any policies regarding the use of such leave adopted by the department in which the employee works.
- 2. Each Full-Time employee under this Plan “B” shall be awarded personal leave hours based on the following schedule:

<u>Months of Consecutive City Service</u>	<u>Hours of Personal Leave</u>
Less than 6	40
Less than 24	60
24 or more	80

Employees hired during the plan year will be provided paid personal leave on a pro-rated basis.

3. Not later than October 31st in each calendar year, employees covered by Plan “B” may elect, by notifying their Personnel/Payroll Administrator in writing, to:
 - a. Convert any unused personal leave hours available at the end of the first pay period of November to a lump sum payment equal to the following: For each converted hour, the employee shall be paid 50 percent of the employee’s hourly base wage rate in effect on date of conversion. In no event shall total pay hereunder exceed 40 hours of pay (80 hours at 50%); or,
 - b. Carryover to the next calendar year up to 80 unused personal leave hours; or,
 - c. Convert a portion of unused personal leave hours, to a lump sum payment as provided in subparagraph (a), above, and carry over a portion as provided in subparagraph (b), above.
4. Maximum Accrual. A maximum of 80 hours of personal leave may be carried over to the next plan year. Any personal leave hours unused at the end of the plan year in excess of 80 shall be converted to a lump sum payment as provided in subparagraph 3(a) above.
5. Termination Benefits. At termination of employment for any reason, accumulated unused personal leave hours, minus any adjustment necessary after calculating the “prorated amount,” shall be paid to the employee at 50 percent of the hourly base wage rate on date of termination for each unused hour. For purposes of this paragraph, “prorated amount” shall mean the amount of personal leave credited at the beginning of the plan year, multiplied by the ratio of the number of pay periods worked in the plan year (rounded to the end of the pay period which includes the separation date) to 26 pay periods. If the employee, at the time of separation, has used personal leave in excess of the prorated amount, the value of the excess amount shall be reimbursed to the City and may be deducted from the employee’s paycheck.
6. Conditions on Use of Personal Leave include:
 - a. Minimum use of personal leave, with supervisory approval, must be in no less than quarter-hour increments.
 - b. Except in unforeseen circumstances, such as emergencies or the employees’ inability to work due to their illness or accident, or an unforeseen FMLA-qualifying event, the employees must provide their supervisors with prior notice to allow time for the supervisors to make arrangements necessary to cover the employees’ work.
 - c. For leave due to unforeseen circumstances, the employees must give their supervisors as much prior notice as possible.
7. Career Enhancement Leave, Plan “B.” A Full-Time employee covered under this Plan “B” is eligible, after 15 years of full time service with the City, to be selected to receive up to two weeks of career enhancement leave. This one-time leave benefit could be used for formal training, informal course of study, job-related travel, internship, mentoring or other activity that could be of benefit to the City and the employee’s career development. Selected employees shall

receive their full regular salary during the leave. Request for this leave must be submitted in writing to the appropriate department head, stating the purpose of the request and how the leave is intended to benefit the City. The request must be approved by the department head and by the Human Resources Director (who will review the request for compliance with the guidelines outlined here).

8. Retirement/Layoff (RL) Benefit, Plan "B"

- a. Full-Time employees currently covered under Plan "B" who were hired before November 16, 1997, and who elected to be covered under Plan "B," shall have a retirement/layoff (RL) account equal to sixty percent of their accumulated unused sick leave hours available on November 16, 1997, minus any hours withdrawn from that account since it was established.
- b. Full-Time employees who were hired before November 16, 1997 and who elected in 1998 to be covered under Plan "B," shall have a retirement/layoff (RL) account equal to fifty percent of their accumulated unused sick leave hours available on November 14, 1998, minus any hours withdrawn after the account is established.
- d. Full-Time employees who were hired before November 16, 1997 and who elected in 2007 or later during any period designated by the City to be covered under Plan "B," shall have a retirement /layoff (RL) account equal to forty percent of their accumulated unused sick leave hours available on the date that Plan B participation began, minus any hours withdrawn after the account is established.

d. Payment of the RL Account.

- 1) All of the hours in the RL account shall be payable to an employee only upon retirement or as a result of layoff. Hours shall be paid according to the employee's base hourly rate of pay on date of retirement or layoff.
- 2) In the case of retirement only, in lieu of the above, Full-Time employees may elect to convert the RL account payment as provided herein to pay for health insurance premiums. Such payment shall be subject to any state and federal income and social security tax withholding required by law. An employee's available RL account balance, computed by the hours therein times the base salary rate at the effective date of employment separation, determines the number of months of medical and surgical coverage that may be purchased. The purchase is made on a monthly basis, which shall be computed on a monthly basis of charges against the account balance. If insurance costs increase, the number of months of coverage will decrease.
- e. Hours may be withdrawn from the RL account for emergencies or to supplement Workers' Compensation benefits after personal leave hours are exhausted. RL account hours, when added to the employee's Workers' Compensation benefit, may not exceed the employee's regular net salary.

9. Short-Term Disability Insurance, Plan "B." Protection against loss of income when an employee is absent from work due to short-term disability shall be

provided to Full-Time employees covered under Plan “B” through short-term disability insurance (SDI). There shall be no cost to the employee for SDI. SDI shall be administered in accordance with the terms determined by the City. As one of the conditions for receiving SDI, the employee may be required to submit to a medical examination by a medical provider of the City’s choosing.

SUBSECTION IV - BEREAVEMENT LEAVE

- A. Time off with pay will be granted to an employee who suffers the loss of a current wife or husband; child, mother, father, brother, sister; current father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law; grandparent; current step-grandfather, step-grandmother; grandchild, or current step grandchild, stepchild, stepmother, stepfather, stepbrother or stepsister, grandfather-in-law, grandmother-in-law; or, adult designee or adult designee’s relative as if the adult designee were the employee’s spouse. In the event of death in any of these instances, the employee will be paid his/her regular base pay for scheduled work time from the date of death through the day of the funeral or memorial service, not to exceed five (5) working days. The employee will be permitted one additional day of funeral leave on the day following the funeral or memorial service if all of the following apply: 1) such service is held more than 150 miles distance from Salt Lake City; 2) the employee attends the service; and, 3) the day following the service is a regular work shift.
1. In the event of death of a first-line extended relative to the employee, employee’s spouse or adult designee’s relative as if the adult designee were the employee’s spouse, not covered in paragraph A above (such as an uncle, aunt or cousin), the City will pay an employee for time off for one work shift to attend memorial services.
 2. In the event of death of friends, an employee may be allowed to use vacation or personal leave for time off to attend the funeral or memorial service, as approved by an immediate supervisor.
 3. In the event of death of any covered family member while an employee is on vacation leave, an employee’s absence may be extended and authorized as bereavement leave.

 - (b) In the event the time spent in court or administrative proceeding extends into the beginning of the employee's regularly scheduled work shift, time spent in court or in administrative proceeding shall be deemed ended at the time such shift is scheduled to begin.
