However, in the case of an employee's return from an unpaid military leave of absence, leave hours may be restored according to requirements under federal law and city ordinance.
- J. Vacation Payout at Termination: Employees shall be paid at their base hourly rate for any unused accrued vacation leave time following termination of employment, including retirement.
- K. Vacation Allowance: As a recruiting incentive, the Mayor or the City Council may provide a one-time allowance of up to 120 hours of vacation leave.

SUBSECTION III - SICK AND OTHER RELATED LEAVE OR PERSONAL LEAVE

Benefits in this section are for the purpose of continuing income to employees during absence due to illness, accident or personal reasons. Some of these absences may qualify under the Family and Medical Leave Act (FMLA). The City requires all employees using FMLA leave to exhaust their paid leave allotments for FMLA-qualifying events prior to taking unpaid FMLA leave. Employees are not eligible to earn or receive leave benefits while on an unpaid leave of absence. However, employees on an unpaid military leave of absence may be entitled to the restoration of such leave benefits, as provided by federal law and city ordinance.

Employees hired on or after November 16, 1997 shall receive personal leave benefits under Plan B. All other employees shall participate in the plan they participated in on November 15, 1998. Employees who were hired before November 16, 1997, shall participate in Plan B if they so elected during any City-established election period occurring after 1998.

A. Plan "A"

1. Sick Leave

- a. Sick leave shall be provided for Full-Time employees under this Plan "A" as insurance against loss of income when an employee is unable to perform assigned duties because of illness or injury. The Mayor may establish rules governing the interfacing of sick leave and Workers' Compensation

benefits and avoiding, to the extent allowable by law, duplicative payments.

- b. Each Full-Time employee shall accrue sick leave at a rate of 4.62 hours per pay period. For any plan year in which there are 27 pay periods, no sick leave hours will be awarded on the 27th pay period. Authorized and unused sick leave may be accumulated from year to year, subject to the limitations of this plan.
- c. Under this Plan "A," Full-Time employees who have accumulated 240 hours of sick leave may choose to convert up to 64 hours of the sick leave earned and unused during any given year to vacation. Any sick leave used during the calendar year reduces the allowable conversion by an equal amount.
- d. Conversion at the maximum allowable hours will be made unless the employee elects otherwise. Any election by an employee for no conversion, or to convert less than the maximum allowable sick leave hours to vacation time, must be made by notifying his or her Personnel/Payroll Administrator, in writing, not later than the second payperiod of the new calendar year. Otherwise, the opportunity to waive conversion or elect conversion other than the maximum allowable amount shall be deemed waived for that calendar year. In no event shall sick leave days be converted from other than the current year's sick leave allocation.
- e. Any sick leave hours, properly converted to vacation benefits as above described, shall be taken prior to any other vacation hours to which the employee is entitled; provided, however, that in no event shall an employee be entitled to any pay or compensation upon an employee's separation for any sick leave converted to vacation. Any sick leave converted to vacation remaining unused at the date of separation shall be forfeited by the employee.
- f. Sick Leave Benefits Upon Layoff. Employees who are subject to layoff because of lack of work or lack of funds will be paid at 100% of the hourly base wage rate on date of termination for each accumulated unused sick leave hour.

2. Hospitalization Leave

- a. Hospitalization leave shall be provided for Full-Time employees under this Plan "A," in addition to sick leave authorized hereunder, as insurance against loss of income when employees are unable to perform assigned duties because of scheduled surgical procedures, urgent medical treatment, or hospital inpatient admission.

- b. Employees shall be entitled to 30 days of hospitalization leave each calendar year. Hospitalization leave shall not accumulate from year to year. Employees may not convert hospitalization leave to vacation or any other leave, nor may they convert hospitalization leave to any additional benefit at time of retirement.
- c. Employees who are unable to perform their duties during a shift due to preparations (such as fasting, rest, or ingestion of medicine), for a scheduled surgical procedure, may report the absence from the affected shift as hospitalization leave, with the prior approval of their division head or supervisor.
- d. Employees who must receive urgent medical treatment at a hospital, emergency room, or acute care facility, and who are unable to perform their duties during a shift due to urgent medical treatment, may report the absence from the affected shift as hospitalization leave. The employee is responsible to report the receipt of urgent medical treatment to the employee's Division head or supervisor as soon as practical. For purposes of use of hospitalization leave, urgent medical treatment includes at-home care directed by a physician immediately after the urgent medical treatment and within the affected shift.
- e. Employees who are admitted as an inpatient to a hospital for medical treatment, so they are unable to perform their duties, may report the absence from duty while in the hospital as hospitalization leave.
- f. Medical treatment consisting exclusively or primarily of post-injury rehabilitation or therapy treatment, whether conducted in a hospital or other medical facility, shall not be counted as hospitalization leave.
- g. An employee requesting hospitalization leave under this section may be required to provide verification of treatment or care from a competent medical practitioner.

 - c. The following provisions apply to the use of dependent leave by a Full-Time employee:
 - 1) Dependent leave may be granted with pay on a straight time basis.

 - 5) An employee's sick leave shall be reduced by the number of hours taken by an employee as dependent leave.

4. Career Incentive Leave, Plan "A."

Full-Time employees, who have been in continuous Full-Time employment with the City for more than 20 years, and who have accumulated to their credit 1500 or more sick leave hours, may make a one-time election to convert up to 160 hours of sick leave into 80 hours of paid Career Incentive Leave. Career Incentive Leave must be taken prior to retirement. Sick leave hours converted to Career Incentive Leave will not be eligible for a cash payout upon termination or retirement even though the employee has unused Career Incentive Leave hours available. At termination of employment for any reason, accumulated unused personal leave hours, minus any adjustment necessary after calculating the "prorated amount," shall be paid to the employee at 50 percent of the regular hourly base wage rate (not including acting pay) on the date of termination for each unused hour. For purposes of this paragraph, "prorated amount" shall mean the amount of personal leave credited at the beginning of the plan year, multiplied by the ratio of the number of pay periods worked in the plan year (rounded to the end of the pay period which includes the separation date) to 26 pay periods. If the employee, at the time of separation, has used personal leave in excess of the prorated amount, the value of the excess amount shall be reimbursed to the City and may be deducted from the employee's paycheck.
6. Conditions on Use of Personal Leave include:
- a. Minimum use of personal leave, with supervisory approval, must be in no less than quarter-hour increments.
