AUTHORITY OF THE MAYOR

Employees covered by this compensation plan may be appointed, classified and advanced under rules and regulations promulgated by the mayor, or the Civil Service Commission, if applicable, within budget limitations established by the city council.

Further, city council input and approval is required if the creation of a new benefit has policy implications or is already addressed in this compensation plan.

- I. Any vacation accrued beyond the allowable maximums will be deemed forfeited unless used before the end of the calendar year in which the hours are accrued. However, in the case of an employee's return from an unpaid military leave of absence, leave hours may be restored according to requirements under federal law and city ordinance.
- J. Vacation Payout at Termination: Employees separating from employment may be authorized to use up to 80 vacation leave hours during the last two week period before the last day of employment. SUBSECTION III - SICK AND OTHER RELATED LEAVE OR PERSONAL LEAVE

Benefits in this section are for the purpose of continuing income to employees during absence due to illness, accident or personal reasons. Some of these absences may qualify under the Family and Medical Leave Act (FMLA). Although the city requires use of accrued paid leave prior to taking unpaid FMLA leave, employees will be allowed to reserve up to 80 hours of non-lapsing leave as a contingency for future use by submitting a written request to their department personnel/payroll administrator. Employees are not eligible to earn or receive leave benefits while on an unpaid leave of absence. However, employees on an unpaid military leave of absence may be entitled to the restoration of such leave benefits, as provided by federal law and city ordinance.

Employees hired on or after November 16, 1997 receive personal leave benefits under Plan B. All other employees I participate in the plan they participated in on November 15, 1998. Employees who were hired before November 16, 1997, shall participate in Plan B if they so elected during any city- established election period occurring after 1998.

A. Plan “A”

1. Sick Leave

- a. Sick leave is provided for full-time employees under Plan “A” as insurance against loss of income when an employee is unable to perform assigned duties because of illness or injury. The mayor may establish rules governing the interfacing of sick leave and workers’ compensation benefits and avoiding, to the extent allowable by law, duplicative payments.
- b. Each Full-Time employee accrues sick leave at a rate of 4.62 hours per pay period. For any plan year in which there are 27 pay periods, no sick leave hours will be awarded in the 27th pay period. Authorized and unused sick leave may be accumulated from year to year, subject to the limitations of this plan.
 - 1) Sick Leave Accrual for Fire Battalion Chiefs – Each covered employee shall be entitled to 15 days of sick leave each calendar year, except for members of the Combat Division who shall be entitled to 7.5 shifts of sick leave each calendar year. The City shall credit a covered employee’s sick leave account in a lump sum (either 15 days or 7.5 shifts) during the first month of each calendar year. Authorized and unused sick leave may be accumulated from year to year subject to the limitations of this plan.
- c. Under this Plan “A,” Full-Time employees who have accumulated 240 hours of sick leave may choose to convert up to 64 hours of the sick leave earned and unused during any given year to vacation. Any sick leave used during the calendar year reduces the allowable conversion by an equal amount.
 - 1) Sick Leave Conversion for Fire Battalion Chiefs – Fire Battalion Chiefs who have accumulated 15 shifts (for combat employees), or 240 hours (for non-combat employees) may choose to convert a portion of the year sick leave grant from any given year to vacation, as follows—

<u>Number of Sick Leave Shifts Used</u> <u>During Previous Calendar Year</u> <u>(Combat Only)</u>	<u>Number of Sick Leave Shifts</u> <u>Available for Conversion</u> <u>(Combat Only)</u>
No shifts used	4 shifts
One (1) shift used	3 shifts
Two (2) shifts used	2 shifts
Three (3) shifts used	1 shift
Four (4) or more shifts used	No shifts

<u>Number of Sick Leave Shifts Used During Previous Calendar Year (Support Only)</u>	<u>Number of Sick Leave Shifts Available for Conversion (Support Only)</u>
No (0) days used	8 days
One (1) day used	7 days
Two (2) days used	6 days
Three (3) days used	5 days
Four (4) days used	4 days
Five (5) or more days used	0 days

- d. Conversion at the maximum allowable hours will be made unless the employee elects otherwise. Any election by an employee for no conversion, or to convert less than the maximum allowable sick leave hours to vacation time, must be made by notifying the employee's personnel/payroll administrator, in writing, not later than the second pay period of the new calendar year (or the November vacation draw for Fire Battalion Chiefs). Otherwise, the opportunity to waive conversion or elect conversion other than the maximum allowable amount will be deemed waived for that calendar year. In no event may sick leave days be converted from other than the current year's sick leave allocation.
- e. Any sick leave hours, properly converted to vacation benefits as above described, must be taken before any other vacation hours to which the employee is entitled; however, in no event is an employee, upon the employee's separation from employment, entitled to any pay or compensation for any sick leave converted to vacation. An employee forfeits any sick leave converted to vacation remaining unused at the date of separation from employment.
- f. Sick Leave Benefits Upon Layoff. Employees who are subject to layoff because of lack of work or lack of funds will be paid at 100% of the hourly base wage rate on date of termination for each accumulated unused sick leave hour.

2. Hospitalization Leave

- a. Hospitalization leave is provided for full-time employees under Plan "A," in addition to sick leave authorized hereunder, as insurance against loss of income when an employee is unable to perform assigned duties because of scheduled surgical procedures, urgent medical treatment, or hospital inpatient admission.
- b. Employees are entitled to 30 days of hospitalization leave each calendar year. Hospitalization leave does not accumulate from year to year. Employees may not convert hospitalization leave to vacation or any other

leave, nor may they convert hospitalization leave to any additional benefit at time of retirement.

- c. Employees who are unable to perform their duties during a shift due to preparations (such as fasting, rest, or ingestion of medicine), for a scheduled surgical procedure, may report the absence from the affected shift as hospitalization leave, with the prior approval of their division head or supervisor.
- d. Employees who must receive urgent medical treatment at a hospital, emergency room, or acute care facility, and who are regularly scheduled for work or unable to perform their duties during a shift (or work day) due to urgent medical treatment, may report the absence from the affected shift as hospitalization leave. An employee who wishes to claim hospitalization leave is responsible to report the receipt of urgent medical treatment to the employee's division head or supervisor as soon as practical. For purposes of use of hospitalization leave, urgent medical treatment includes at-home care directed by a physician immediately after the urgent medical treatment and within the affected shift.
 - 1. An employee who is absent from work on a holiday or while on approved leave cannot use hospitalization leave.
- e. Employees who, because they are admitted as an inpatient to a hospital for medical treatment, are unable to perform their duties, may report the absence from duty while in the hospital as hospitalization leave.
- f. Medical treatment consisting exclusively or primarily of post-injury rehabilitation or therapy treatment, whether conducted in a hospital or other medical facility, shall not be counted as hospitalization leave.
- g. An employee requesting hospitalization leave under this section may be required to provide verification of treatment or care from a competent medical practitioner.

3. Dependent Leave

- a. Under Plan "A," dependent leave may be requested by a full-time employee for the following reasons:
 - 1) Becoming a parent through birth or adoption of a child.

 - 3) Due to the care of the employee's child, spouse, spouse's child, adult

- b. Under Plan "A," dependent leave may also be requested by a full-time employee to care for an employee's child, spouse, spouse's child, adult designee, adult designee's unmarried child under age 26, or a parent who is ill or injured but who does not have a serious health condition.
- c. The following provisions apply to the use of dependent leave by a full-time employee:
 - 1) Dependent leave may be granted with pay on a straight time basis.
 - 2) If an employee has available unused sick leave, sick leave may be used as dependent leave.
 - 3) An employee is required to give notice of the need to take dependent leave, including the expected duration of leave, to his or her supervisor as soon as possible.
 - 4) Upon request of a supervisor, an employee will be required to provide a copy of a birth certificate or evidence of child placement for adoption, or a letter from the attending physician in the event of hospitalization, injury, or illness of a child, spouse, spouse's child, adult designee, adult designee's child, or parent within five calendar days following a return from leave.
 - 5) An employee's sick leave shall be reduced by the number of hours taken by an employee as dependent leave.

4. Career Incentive Leave, Plan "A"

Full-Time employees, who have been in continuous full-time employment with the city for more than 20 years, and who have accumulated to their credit 1500 or more sick leave hours, may make a one-time election to convert up to 160 hours of sick leave into 80 hours of paid Career Incentive Leave. Career Incentive Leave must be taken prior to retirement. Sick leave hours converted to Career Incentive Leave will not be eligible for a cash payout upon termination or retirement even though the employee has unused Career Incentive Leave hours available. This leave can be used for any reason. Requests for Career Incentive Leave must be submitted in writing to the appropriate department director and be approved subject to the department's business needs (e.g., work schedules and workloads).

5. Retirement Benefit, Plan “A”

- a. Employees who meet the eligibility requirements of the Utah State Retirement System and who retire from the city will be paid at their base hourly rate for 50% of their accumulated sick leave hours balance based on the schedule below:

January 1 st – June 30 th	Contribution to Nationwide 501(c)9 Plan (premium-only account)
July 1 st – December 31 st	Cash to retiree

B. Plan “B”

1. The benefit Plan Year of Plan “B” begins in each calendar year on the first day of the pay-period that includes November 15. Under Plan “B,” paid personal leave is provided for employees as insurance against loss of income when an employee needs to be absent from work because of illness or injury, to care for a dependent, or for any other emergency or personal reason. Where the leave is not related to the employee’s own illness or disability—or an event that qualifies under the FMLA—a personal leave request is subject to supervisory approval based on the operational requirements of the city and any policies regarding the use of such leave adopted by the department in which the employee works.
2. Each full-time employee under Plan “B” is awarded personal leave hours based on the following schedule:

<u>Months of Consecutive City Service</u>	<u>Hours of Personal Leave</u>
Less than 6	40
Less than 24	60
24 or more	80

3. Not later than October 31st of each calendar year, employees covered by Plan “B” may elect, by notifying their personnel/payroll administrator in writing, to:
 - a. Convert any unused personal leave hours available at the end of the first pay period of November to a lump sum payment equal to the following:

For each converted hour, the employee will be paid 50 percent of the employee's regular hourly base wage rate (not including acting pay) in effect on the date of conversion. In no event will total pay hereunder exceed
40 hours of pay (80 hours at 50%); or

5. Termination Benefits. At termination of employment for any reason, accumulated unused personal leave hours, minus any adjustment necessary after calculating the "prorated amount," shall be paid to the employee at 50 percent of the regular hourly base wage rate (not including acting pay) on the date of termination for each unused hour. For purposes of this paragraph, "prorated amount" shall mean the amount of personal leave credited at the beginning of the plan year, multiplied by the ratio of the number of pay periods worked in the plan year (rounded to the end of the pay period which includes the separation date) to 26 pay periods. If the employee, at the time of separation, has used personal leave in excess of the prorated amount, the value of the excess amount shall be reimbursed to the city and may be deducted from the employee's paycheck.
6. Conditions on Use of Personal Leave include:
- a. Minimum use of personal leave, with supervisory approval, must be in no less than quarter-hour increments.
 - b. Except in unforeseen circumstances, such as emergencies or the employees' inability to work due to their illness or accident, or an unforeseen FMLA-qualifying event, an employee must provide their supervisor with prior notice to allow time for the supervisor to make arrangements necessary to cover the employees' work.
 - c. For leave due to unforeseen circumstances, the employees must give their supervisor as much prior notice as possible.

7. Career Enhancement Leave, Plan "B": A full-time employee covered under this Plan "B" is eligible, after 15 years of full time service with the city, to be selected to receive up to two weeks of career enhancement leave. This one-time leave benefit could be used for formal training, informal course of study, job-related travel, internship, mentoring or other activity that could be of benefit to the city and the employee's career development. Selected employees will receive their full regular salary during the leave. Request for this leave must be submitted in writing to the appropriate department head, stating the purpose of the request and how the leave is intended to benefit the city. The request must be approved by the department head and by the human resources director (who will review the request for compliance with the guidelines outlined here).
