PTSD PROVIDERS

Salt Lake Behavioral Network

Currently, SLBN is in network with PEHP for the current inpatient, IOP and day treatment services. PTSD services would need to be added.

Here is their link for more information:

<https://saltlakebehavioralhealth.com/programs-services/military-programs/>

Advanced Recovery Systems LLC

The IAFF Centers of Excellence is our only Firefighter First Responder Facility – Dually Licensed in the State of Maryland for treatment primary Mental Health, specialty PTSD, and also Chemical Dependency.

Their average length of stay is 26 days. The stays vary depending on severity of the case and how the patient responds to treatment. However, it appears 26 days is pretty good base line.

The airfare to Maryland is not included in the pricing.

For an overview of their program you can visit the link below.

We are in discussion with Deer Hollow Recovery, New Roads, Chateau recovery and ARDU and are looking to add them to the network. But at this time they are considered out of network unless specifically authorized by PEHP.
