

Salt Lake City Onsite Flu Clinic Schedule 2020

Schedule your flu vaccine appointment

For the first time we will be requiring that you call ahead and schedule your appointment for a flu vaccine for you and your family ahead of time. Call the Midtown Clinic at 801-320-5660 to schedule your appointment

Fill out your Form

Please complete your form ahead of time for each patient before you come to get your vaccine. This helps us keep the clinics as clean as possible.

Stay home if you're sick

If you are experiencing any COVID-19 related symptoms please do not attend the Flu Clinics until after you have spoken with your doctor.

Masks Required

In accordance with CDC recommendations we will be requiring masks to attend the Flu Clinics this year. If you do not have a mask available the Midtown Clinic staff will have a limited number available for you.

Temperature Checks

As an additional precaution we will also be holding temperature checks at the entrance of each flu clinic.

Social Distance

During Flu Clinics we ask that you practice social distancing. To practice social distancing stay at least 6 feet (about 2 arms' length) from other people who are not from your household in both indoor and outdoor spaces.
