Instructions to install the FTR Player, if you have not previously installed it. Note: This software is not Apple-Mac compatible.

1. Uninstall any FTR Gold or TheRecord software installed on your computer.

2. Reboot your computer.

3. Follow this link to download TheRecord Player:
ftp://ftrftp.slcgov.com/audio/FTR/Player562Setup.exe

4. Install TheRecord Player.

5. Download Salt Lake City's Path Import Utility:
ftp://ftrftp.slcgov.com/audio/FTR/SLCFTRImport_2017_Full.exe

6. Run SLCFTRImport_2017_Full.exe.

Instructions to add the 2017 audio path to an *existing installation*:

1. Update your FTR Player to version 5.6.2 by downloading and installing TheRecordPlayer:

ftp://ftrftp.slcgov.com/audio/FTR/Player562Setup.exe

2. Download Salt Lake City's 2017 Path Import Utility:
ftp://ftrftp.slcgov.com/audio/FTR/SLCFTRImport_2017.exe

3. Run SLCFTRImport_2017.exe.
