2. Building an Equitable City – Tony Milner

New "Building an Equitable City" program (aka Eviction Prevention and Fair Housing).

Tuesday, June 11, the Council approved the budget for the program and earmarked \$300K.

However they also asked to evaluate the process to create the program and RFP. I'll keep you

informed of the timeline when it's decided. Also, fyi, in yesterday's interim Business and Labor Committee meeting they discussed the need and options for Mitigation Eviction (link below). – Tony Milner, HAND

Mitigation of Evictions for Renters and Landlords

The committee will study consequences of a tenant's inability to pay rent (eviction and an unplanned family move which are costly to tenants, children, and landlords) and discuss solutions to create housing stability for renters and landlords.
