Administrative Hearing Summary of Actions
June 22, 2023 at 5:00 p.m.
This meeting was held electronically

1. Trolley North Temporary Cell Tower at approximately 675 E 500 S - Valerie Cardenas of SmartLink (representing AT&T) and Keleigh Glass Adams of J5 Infrastructure Partners (representing Verizon) are seeking Conditional Use approval for a roof-mounted wireless telecommunications facility at the above-stated address. All roof-mounted wireless telecommunication facilities that extend beyond 15 feet above a building's roof require Conditional Use approval. The proposed facility would sit approximately 26.5 feet tall above the roofline of the recently approved Trolley North building at its highest point. The intent of this proposal is to maintain uninterrupted cellular service between the demolition of the existing building on the property (where the antennas are currently located) and the completion of the Trolley North development project, after which the antennas would be moved to stealth facilities that are part of that proposed development. The subject property is located within the TSA-UN-C (Transit Station Area Urban Neighborhood Core) zoning district and is located in Council District 4, represented by Ana Valdemoros.
