

PRE-SUBMITTAL CONFERENCE

ABOUT THE MEETING

The purpose of the pre-submittal conference is to identify the processes that may be required for a proposal and identify any major issues that are readily apparent based on the information provided. The effectiveness of a pre-submittal conference is based on the level of information provided prior to the meeting. This provides staff some time to do basic research to identify necessary approval processes. Information provided by the applicant at the pre-submittal conference may require additional time for a response. **The information on the following pages is required to be submitted with this application. If the information on the following pages is not provided at least one week prior to the scheduled meeting, the meeting will be canceled.**
