- 2. Text Amendment Related to the H Historic Preservation Overlay District** - Mayor Erin Mendenhall has initiated a petition for a Text Amendment that would generally impact the H (Historic Preservation Overlay) District which applies to properties within a local historic or landmark site and also outlines process and standards for local historic designations, boundary adjustments, and revocation of designation. The purpose of the proposed text amendments is to make the ordinance easier to use for applicants, property owners, staff, and the Historic Landmark Commission in its administration, as well as create new processes for adopting and updating historic resource surveys. The proposed amendments involve multiple chapters of the zoning ordinance related to the H District and changes would apply citywide.
