### FEATURED PROJECT

#### Ballpark Zoning Map and Text Amendment PLNPCM2025-01089

On March 11, the Planning Commission forwarded a positive recommendation to the City Council for a rezone intended to implement the Ballpark Next plan. The proposal would rezone several city-owned properties at approximately 1300 S West Temple (the former Smiths Ballpark) from PL and RMF-35 to MU-5 and MU-11.

These rezonings are being requested to implement the mixed-use development and community goals of the adopted Ballpark NEXT plan. The proposal would permit taller buildings along 1300 South while stepping down to MU-5 along the south side that borders low density residential.
