Dear Casey,

As per your request on the letter we received on 9/8/09 regarding the Metropolitan Landing Condominiums.

We hereby request a planned development approval extension for eight months due to the lack of bank lending on the project. It has required us to sell one of our office buildings which will enable us to proceed with the project.

We appreciate your efforts for this extension which has become necessary. Feel free to call or email if you have any questions or need anything additionally for the extension.

Thank you,

David L. Curtis, Manager
