7. **Cornell Station Area Zoning Map Amendment, Alley Vacation and Street Closure for the properties located at approximately 211-251 N. Cornell Street** - Peter Corroon, representing Little Diamond Housing, LLC is requesting that the City amend the zoning map for seven parcels, vacate the platted alleys, and, close a platted but non-existing segment of Stewart Avenue through the properties. These requests are part of a proposal to develop multi-family housing on the subject parcels. Currently the properties contain 2 single-family residences and the undeveloped street and alleys. The current zoning does not permit multi-family housing. The alleys and street would be incorporated into a new development and would be sold if the proposal is approved by the City Council. The property area, including the alleys and street encompasses approximately 1.57 acres (68,432 square feet) total. The project area is located within Council District 1, represented by James Rogers. (Staff contact: David J. Gellner at (801)535-6107 or david.gellner@slcgov.com.)
- a. **Zoning Map Amendment** - The petitioner is requesting to amend the zoning map designation of the property parcels, adjacent alleys and street segment from BP (Business Park) to the TSA-MUEC-C Zoning District (Transit Station Area Mixed Use Employment Center Station Core). Although the applicant has requested that the properties be rezoned from BP to TSA-MUEC-C, consideration may be given to rezoning the properties to another zoning district with similar characteristics. Case number **PLNPCM2015-00824**
 - b. **Alley Vacation** - The petitioner is requesting the City vacate and close the platted but undeveloped alleys located around the subject properties so the area can be incorporated into a proposed multi-family residential project as private property. The alleyways encompass approximately 11,500 square feet (0.26 acres) of property. Case number **PLNPCM2015-01002**
 - c. **Stewart Avenue Street Closure** - The petitioner is requesting the City close a platted segment of Stewart Avenue that exists on paper only. This undeveloped street segment is located just north of the property located at 211 N. Cornell Street. It runs from Cornell Street to the west for a distance of approximately 200 feet and contains approximately 11,500 square feet (0.26 acres) of public property which would be incorporated into a proposed multi-family residential project as private property. Case number **PLNPCM2016-00079**

Decision: A positive recommendation was forwarded to City Council on all three items

8. **Master-Plan & Zoning Amendment at approximately 1117 E South Temple Street** - Tariq Mughal is requesting to amend the Salt Lake City Master Plan and Zoning Map for property located at the above address. The purpose of the amendment is to facilitate construction of a new 14 unit apartment building. The property is zoned RMF-35 Moderate Density Multi-Family Residential District, and located within Council District 3, represented by Stan Penfold. (Staff contact: Michael Maloy, AICP, at (801)535-7118 or michael.maloy@slcgov.com.)
- a. **Master Plan Amendment** - A request to amend the Future Land Use Map of the Avenues Community Master Plan from Medium-Density 8-20 Units per Gross Acre to High-Density over 20 Units per Gross Acre for property located at 1117 E South Temple Street. **Case number PLNPCM2015-00887**
 - b. **Zoning Map Amendment** - A request to amend the Salt Lake City Zoning Map from RMF-35 Moderate Density Multi-Family Residential District to RMU-35 Residential/Mixed Use District for property located at 1117 E South Temple Street. **Case number PLNPCM2015-00808**

Decision: A positive recommendation was forwarded to City Council

9. **Appeal of Special Exception Decision at approximately 1724 E 2700 S** - Amir Cornell, owner of the property located at the above listed address, has filed an Appeal of the Findings and Order issued for Special Exception PLNPCM2015-01034. The Special Exception was meant to resolve height, use, and design issues associated with an existing garage that was not built to approve plans. It was determined that the garage can remain if a permit is pulled and certain alterations are made. City ordinance allows up to 720 square feet of accessory structures on a property. The footprint of the shed and the garage exceeds 720 Square feet. The approved special exception required the removal of the smaller shed so that the total square footage of all accessory buildings on the property is 720 square feet or less. The appellant contends that he received approval from a City employee for both buildings although no records or approved plans support his claim. (Staff contact: Chris Lee at 801.535.7706 or chris.lee@slcgov.com.) Case number **PLNPCM2015-01034**

Decision: Denied
