City & County Building 451 South State Street, Room 326

1. **Extension for Central 9th Row Houses at approximately 912-916 Jefferson Street** - Peter Corroon is requesting to extend an approval of a Planned Development to construct four row houses located at the above listed address. The subject property is located in a FB-UN2 (Form Based Urban Neighborhood) zoning district and is located in Council District 4, represented by Derek Kitchen. (Staff contact: Michael Maloy at (801)535-7118 or michael.maloy@slcgov.com). Case number: **PLNSUB2016-00581**

Decision: Approved

2. **The Exchange Zoning Map Amendment at approximately 475 S 300 East** - The Salt Lake City Real Estate Services Division is requesting to amend the zoning map for property located at the above listed address. The proposal would rezone the northernmost 100 feet (approximate) of the property from PL-2 (Public Lands 2) to TSA-UC-C (Transit Station Area-Urban Center Station-Core). The rezone to TSA-UC-C is intended to accommodate future private development on the property north of the mid-block street People's Way and to allow for uses such as outdoor dining and mobile food trucks to take place on and along People's Way to help activate the space. The current PL-2 zoning is generally intended for public facilities and has a limited list of allowed uses that would not accommodate such uses or private development. The associated private development is currently proposed to be nine stories in height and include ground floor commercial spaces with 288 residential units above. Currently the land is occupied by a midblock street and a small accessory building. Although the applicant has requested that the property be rezoned to the TSA-UC-C zone, consideration may be given to rezoning the property to another zoning district with similar characteristics. The subject property is located in Council District 4, represented by Derek Kitchen. (Staff contact: Daniel Echeverria at (801)535-7165 or daniel.echeverria@slcgov.com). Case number: **PLNPCM2017-00773**

Decision: A favorable recommendation was forwarded to the City Council.

3. **Mixed Use Development at approximately 100 S, 200 W, 200 S, and 300 W, known as Block 67** - The Richie Group, applicant is seeking to develop 6.45 acres in downtown for a mixed-use project that includes 656 apartments in multiple buildings, a 271-key hotel, and an office tower. The site is located southeast of the Vivint Smart Home Arena and southwest of the Salt Palace on the block bounded by 100 S, 200 W, 200 S, and 300 W, known as Block 67. The applicant envisions the project as an entertainment district that links the activities of the Arena and the Gateway to the Central Business District.
