2. **The Other Side Academy Conditional Use for Large Group Homes and Office Use at approximately 45 S, 50 S, and 54 S 700 East, and 667 E 100 South** – A request by Soren Simonsen, representing The Other Side Academy, for approval from the City for a large group home that provides pro-social and life skill training to individuals who commit to a two-year residency. The petitioner is requesting to serve approximately 120 persons in total across the above addresses. Residents are required to stay for a minimum of 2 years, though some may stay longer until they feel ready to re-enter society. The Academy's model is a "learning by doing" approach to rehabilitation that allows residents to have a hands-on experience running businesses. The proposal also includes a request to approve a portion of the building at 667 E 100 South for office use through the "Adaptive Reuse of a Landmark Site" conditional use. The subject properties are zoned RMF-35 (Moderate Density Multi-family Residential District) and RMF-45 (Moderate/High Density Multi-family Residential District.) 4. **900 S. 800 W. and 900 S. 900 W. Node Rezone** - The City is proposing to amend the zoning map designation for seventy-nine (79) property parcels located near the intersections of 900 West/800 South and 900 West/900 South respectively. The Westside Master Plan adopted in December 2014 identified these areas as a business district where future zoning changes may be supported. Changes may allow new stores, restaurants, services as well as new residential development. In order to facilitate development of these “nodes”, the City is proposing to rezone them from their current designations of R-1/5000 (Single-family Residential), CB (Community Business), RMF-35 (Moderate Multi-Family Residential) and RMF-45 (Moderate/High Density Multi-Family Residential) to the FB-UN1 (Form-Based Urban Neighborhood), R-MU-35 (Residential/Mixed Use) and R-MU-45 (Residential/Mixed Use) zoning districts. Although these are the zones proposed by staff, consideration may be given to rezoning the properties to another zoning district with similar characteristics. The project area is located in Council District 2, represented by Andrew Johnston. (Staff contact: David J. Gellner at (801)535-6107 or [david.gellner@slcgov.com](mailto:david.gellner@slcgov.com)) Case number **PLNPCM2016-00924**

The applicant further requests to adjust the boundary of the Lowland Conservancy Overlay District to not include their property. The request is to facilitate the construction of a warehouse project. The property is located within Council District 1, represented by James Rogers.
