

**Motion Sheet for PLNPCM2018-00066:
Single Room Occupancy (SRO) Dwellings Text Amendments**

Consistent with Staff recommendation:

Motion to recommend approval

Based on the analysis and findings contained in the staff report dated June 27, 2018, the additional information contained in the two (2) memos dated July 11, 2018, and November 14, 2018, and testimony provided, I move that the Planning Commission forwards a positive recommendation for PLNPCM2018-00066 to the City Council to adopt the proposed zoning ordinance text amendments related to the Single Room Occupancy (SRO) Dwellings use.

Not Consistent with Staff recommendation:

Motion to recommend denial

Based on the analysis and findings contained in the staff report dated June 27, 2018, the additional information contained in the two (2) memos dated July 11, 2018, and November 14, 2018, and testimony provided, I move that the Planning Commission forwards a negative recommendation for PLNPCM2018-00066 to the City Council to adopt the proposed zoning ordinance text amendments related to the Single Room Occupancy (SRO) Dwellings use.
