1. **Planned Development and Conditional Building and Site Design Review for the Union Pacific Hotel at 2 S. 400 West** - The Athens Group and HKS Architects, on behalf of Vestar Gateway, LLC, have requested the above-mentioned planning petitions to accommodate the development of an 8-story, 225-room hotel on the west side of the existing Union Pacific Railroad Station. The hotel project is in conjunction with the adaptive reuse of the historic train station itself, which entails the preservation of the existing Grand Train Hall in the center of the station and the addition of other hotel amenities. All new construction in the Gateway-Mixed Use zoning district must be reviewed as a planned development. Additionally, the applicants have elected to go through the Conditional Building and Site Design Review process to accommodate approximately 99 feet of building height in lieu of 75 feet that is permitted outright. However, the building will be no taller than the existing train station. The subject property is located in Council District 4, represented by Derek Kitchen. 2. **Single Room Occupancy (SRO) Text Amendments** - A request by Mayor Jackie Biskupski to amend sections of the zoning ordinance to better define the Single Room Occupancy (SRO) housing type and determine appropriate locations within the city for this use. The intent of the proposed amendments is to implement the recently-adopted Growing SLC: A Five-Year Housing Plan (2017-2021). The amendments will affect the following sections of the Zoning Ordinance: 21A.62.040 Definitions of Terms, 21A.33 Land Use Tables, 21A.36 General Provisions, and 21A.44.030 Number of Off-Street Parking Spaces Required. Related provisions of Title 21A (Zoning) may also be amended as part of this petition. 3. **Partial Street Vacation at 239 N East Capitol Street** - A request by Brian and Jennifer Reuben for a Partial Street Vacation of a portion of East Hillside Avenue adjacent to their property at 239 N East Capitol Street. The purpose of the vacation is to reconcile the location of two accessory buildings and a masonry wall in the public right-of-way. 4. **Guadalupe Row Houses** - A request by Jarod Hall, on behalf of the owner, Riley Rogers, to develop residential row houses on seven parcels at approximately 529 West 500 north via planned development and subdivision petitions. The proposed development will consist of two residential buildings with a total of 13 units. The zoning standards in that area specify that no more than 6 dwellings may be attached together. Consequently, the planned development petition is for one building containing 6 units and a second building with 7 units, as well as allowing for lots not fronting on a street, and reductions to front and side yard setbacks and lot dimensions. The subdivision is to reapportion the land to provide a lot for each unit. The subject parcels are located in the SR-3 (Special Development Pattern Residential) zoning district within City Council District 3, represented by Chris Wharton.
