

# HOUSING AND NEIGHBORHOOD DEVELOPMENT

# Consolidated Plan

DRAFT SLC 2020-2024

Salt Lake City seeks to develop and enhance livable, healthy, and sustainable neighborhoods through robust planning and actions that reflect the needs and values of our community.

The 2020-2024 Consolidated Plan will provide a framework for how the City uses federal funding for vital services and programs that support the community's housing, infrastructure, and economic development needs.
