5. **Sugar House Business District Design Standards Text Amendment** - A request by the Mayor to amend the Sugar House Business District (CSHBD) zoning district regulations. The proposed additional design standards are meant to bridge this gap and help ensure that new small buildings support a high quality, pedestrian oriented environment in Sugar House. Other miscellaneous related changes and clarifications to the zoning code are also included in the amendments. The proposal affects both the CSHBD-1 and CSHBD-2 zoning districts. The zone is located within Council District 7, represented by Amy Fowler. (Staff Contact: Daniel Echeverria, daniel.echeverria@slcgov.com or 801-535-7165) **Case number PLNPCM2018-00210**
