- 5. **City Property Disposition at approximately 1085 E Simpson Ave** - The City Administration is proposing to sell City properties located at approximately 1085 E Simpson Ave, 1095 E Simpson Ave, and 1104 E Sugarmont Drive. The properties total approximately 0.73 acres. The properties are proposed to be sold to the Redevelopment Agency (RDA) and are intended to be assembled with the adjacent RDA owned property and used for a future development. The value of the property has been determined through an appraisal. Before selling significant properties, City Code 2.58 requires that a public hearing be held before the Planning Commission to receive formal public input regarding the proposed sale. No other action is required by the Planning Commission. The Planning Commission is not a decision maker on the sale of the property. The City Council may request an additional public hearing be held before them following this hearing. Following these hearing(s), the Mayor may finalize the transaction. The property is currently occupied by a former City fire station building and a maintenance facility building used by the City's Public Services department. The property is zoned Public Lands (PL) and is located in Council District 7, represented by Amy Fowler.
