1. **Bueno Avenue Apartments - Zoning Map and Master Plan Amendment at approximately 129 South 700 East** - Kevin Perry, representing the property owner, is requesting approval for a master plan and zoning map amendment to accommodate a new residential development, the Bueno Avenue Apartments, at the stated location. The project proposes to consolidate 10 parcels and replace the existing structures with two buildings: a single-story amenity building fronting 700 East and a 4-story rooming (boarding) house on the interior of the site. The rooming house would consist of 65 units ranging from 1 bedroom to 4-bedroom units. The total site is approximately 1.55 acres. The proposed project is also subject to a planned development and a conditional use. A previous public hearing was held with the Planning Commission on June 23, 2021 where the commission voted for a favorable recommendation to amend the master plan and zoning map, but the vote was later recalled because City code requires that the Planning Commission consider the housing mitigation report required for zoning amendments prior to making a recommendation to the City Council. The planned development and conditional use associated with this project were tabled by the Planning Commission and will be considered at a later date. The following applications will be reviewed at this time:
  - a. **Zoning Map Amendment** – The current zoning of 7 of parcels on the site is SR-3, and zoning on 3 of the parcels is RMF-45. As part of the Zoning Amendment the Planning Commission will review a Housing Loss Mitigation Report. The applicant is requesting to amend the zoning map designation of the seven parcels zoned SR-3 to RMF-45. **Case number PLNPCM2021-00048**
  - b. **Master Plan Map Amendment** - The associated future land use map in the Central Community Master Plan currently designates the property as "Medium Density Residential". The petitioner is requesting to amend the future land use map for the parcels to be "Medium High Density Residential". **Case number PLNPCM2021-00047**

The project is located within the RMF-45 (Moderate/High Density Multi-Family Residential District) and the SR-3 (Special Development Pattern Residential District) and within Council District 4, represented by Analia Valdemoros (Staff contact: Katia Pace at (385) 226-8499 or katia.pace@slcgov.com)

**Action: A negative recommendation was forwarded to the City Council.**

The property is zoned R-1/7,000, Single Family Residential District, where ADUs that are separate from the primary structure must be processed as a conditional use.
