3. **1550 S Main Street Assemblage Zoning Map, Master Plan and Zoning Text Amendments and Alley Vacation**- Urban Alfandre is requesting that the City amend the zoning map and master plan for multiple property parcels located at approx. 1518, 1530, 1540, 1546 S Main Street and 1515 S Richards Street respectively. All properties are zoned CC – Commercial Corridor with the exception of the parcel at 1515 S Richards Street which is zoned R-1/5000, Single-Family Residential. The applicant is requesting a change to the future land use map designation in the Central Community Master Plan from Community Commercial to High Mixed Use on these parcels and a zoning change to the FB-UN2 – Form Based Urban Neighborhood Zoning District. An alley that runs through the properties would be vacated as part of this request. The intent of these petitions would be to combine all parcels as well as the alley into one cohesive parcel under the new zoning in order to build a mixed-use/multi-family development on the site. The property area for all parcels and the alley is approximately 2 acres. No specific site development has been submitted or is under consideration. The following petitions are associated with this proposal:
- A. **Zoning Map Amendment:** Change on parcels from CC & R-1/5000 to FB-UN2. **Case number PLNPCM2021-01191**
  - B. **Master Plan Amendment:** Change to the future land use map in the Central Community Master Plan. **Case number PLNPCM2022-00065**

4. **Sugar House Circulation Plan Modifications** - The Salt Lake City Transportation Division is proposing a modification to the Sugar House Circulation Plan (adopted in 2013) that would adopt the Local Link Project as an addendum. Local Link is a circulation plan that has been jointly produced by Salt Lake City, Millcreek, Holladay, and South Salt Lake City that addresses pedestrian and bicycle connections in and between the participating cities and evaluates transit connections between Sugar House, Millcreek, and Holladay. The Planning Commission is being asked to make a recommendation to the City Council regarding the adoption of the proposed plan. 5. **Ballpark Station Area Plan** - A request by the Mayor to create a station area plan in the Ballpark Neighborhood. The Ballpark's Station Area Plan is intended to capitalize on the community assets and set a framework to help guide growth related issues and pressures and to keep the neighborhood as the home of baseball in Utah. The Ballpark Station Area Plan will encompass the area that runs roughly between 900 South to 1700 South, and State Street to I-15. The small area plan's boundaries are within both the Central Community and the Downtown Master Plans. The Ballpark Station Area Plan is located within Council District 5, represented by Darin Mano. (Staff contact: Nannette Larsen at 801-535-7645 or nannette.larsen@slcgov.com) **Case number PLNPCM2022-00323**

6. **Moderate Income Housing Plan (Growing SLC) Implementation Plan Amendment** - The Planning Commission received a briefing on May 25, 2022 regarding new state requirements to include an implementation plan in the City's Moderate Income Housing Plan, *Growing SLC*. *Growing SLC* is in its final year and has seen significant success toward the goals and objectives outlined within it. To date, all of the main goals have been completed or seen significant progress toward their completion. Despite this progress, Salt Lake City's housing market has seen record price increases, which have called for further implementation of the goals in the final year. Additionally, HB 462 – Affordable Housing Amendments, which passed in the 2022 legislative session, requires an implementation plan to be adopted by October 1, 2022. To both continue addressing the housing situation and to comply with new requirements, an implementation plan will be presented to the Planning Commission to include the housing-related efforts that are currently being undertaken by the City. The Planning Commission will make a final recommendation to the City Council, who is the final decision maker. (Staff Contact: Ruedi Matthes at (385) 415-4701 Ruedigar.Matthes@slcgov.com)
