PUBLIC HEARINGS

1. **Northpoint Small Area Plan** - A request by the City Council to revise and complete an update to the Northpoint Small Area Plan. The Northpoint Small Area Plan is a land use plan for the land that is generally located between the Salt Lake City International Airport and the northern boundary of the city along the 2200 West corridor. The Northpoint Small Area Plan was adopted

in April 2000. The updated plan will provide guidance on existing and anticipated development in the area, as well as annexation-related issues. As part of the plan update, the Salt Lake City Major Streets Plan will be amended to reflect recommended roadway alignments. The subject area is located within Council District 1, represented by Victoria Petro-Eschler. (Staff contact: Krissy Gilmore at 801-535-7780 or at kristina.gillmore@slcgov.com) **Case number PLNPLC2022-00687**

2. **West Quarter Block C Design Review at approximately 260 W 200 S.** - The applicant, Ashvini Dinoy, with Dwell Design Studio, representing the property owner, is requesting Design Review approval to develop the property at approximately 260 W 200 S. The project site is in the D-4, Downtown Secondary Central Business District and is approximately 2.34 acres (63,723 sq ft). The proposal is to construct a 16 story, multifamily residential, mixed-use building with 323 residential dwelling units as well as ground-floor retail space. The applicant is also proposing to extend the existing Quarter Row mid-block private street along the eastern lot line of the subject site and record an associated public access easement. Through the Design Review Process the applicant is requesting to exceed the building height allowance of the D-4 Zoning District by approximately 110 feet, 7 inches. The zone permits a building height of 75 feet and the applicant is proposing a height of approximately 185 feet 7 inches. The regulations of the D-4 zone allow developments constructing privately owned mid-block streets with a public easement to increase the height of the building on the remaining abutting parcel through the Design Review process. The project is located within Council District 4, represented by Ana Valdemoros. (Staff contact: Brooke Olson at 801-535-7118 or brooke.olson@slcgov.com) **Case Number PLNPCM2022-00141**

The project exists in the Community Business (CB) Zoning District. As a Planned Development, the Planning Commission is allowed to approve modifications to the zoning ordinance where a finished product would be better for the community than what could be built by strictly following the zoning regulations. TAG is requesting relief from the following section of Salt Lake City Code: 21A.36.010.C, which requires that all lots must have frontage on a public right-of-way. The project is within Council District 4, represented by Ana Valdemoros. (Staff contact: Grant Amann at 801-535-6171 or grant.amann@slcgov.com) **Case Number PLNPCM2022-00426**

Hoyt Place. The proposal is to adjust the lot for an existing single-family home along 200 North and to create 8 additional lots to accommodate a twin home and 6 single-family attached units. The property is in the SR-3 (Special Development Pattern Residential) zoning district.

The proposed project is subject to the following petitions:

A. Planned Development (PLNPCM2018-00878): The development is required to obtain Planned Development approval for the following:

- 7 lots without street frontage
- Reduced front yard setback, 5' where 10' would be required
- Reduced rear yard setback, 5' where 15' would be required
- Steps and landings to be located closer than 4' to property line (in rear yard area)

B. Preliminary Subdivision (PLNSUB2018-00879)

The proposal includes adopting the Homeless Resource Center Overlay Zoning District, modifying section 21A.36.350 Standards for Homeless Resource Centers, adding provisions for temporary/season homeless resource centers that incorporate recent changes to Utah Code, modifying chapter 21A.50 to add factors to consider when mapping the homeless resource center overlay and other related changes, and modifying defined terms. The Planning Commission may consider any modifications to these sections or other related provisions within Title 21A Zoning. This proposal does not include mapping of the overlay at this time; however, the commission may consider modifications to the code that authorize the use in some locations through the text of the zoning code. More information on the proposal can be found at <https://www.slc.gov/planning/2022/10/14/hrc-amendments/> (Staff Contact: Staff Contact: Nick Norris at 801-535-6173 or nick.norris@slcgov.com) **Case Number PLNPCM2022-01068**
