

Motion Sheet for new multi-family building

Design Review at 980 W Euclid Ave.

Motion to approve (consistent with staff recommendation):

Based on the information presented and the discussion, I move that the Commission approves this application based on staff's recommendation.

Motion to approve with conditions modified by the Commission:

Based on the information presented and discussion, I move that the Commission approve this application with the following modifications:

1. The commission will list the conditions that are to be modified, added, or removed

Motion to deny:

I move that the Commission deny this application because evidence has not been presented that demonstrates the proposal complies with the following standards:

1. The commission will make findings related to which standards are not complied with.
