

**Motion Sheet for petition initiation related to obstruction and exception tables in 21A.36.020**

**Motion to initiate petition:**

I move that the Commission initiate a zoning text amendment for chapter 21A.36.020, specifically Table 21A.36.020.B and Table 21A.36.020.C and any necessary changes to Title 21A that are related to either table.

*No alternate motion is necessary. If the commission decides not to initiate the petition, the failure to put forward a motion for consideration automatically results in the proposed text amendment not being initiated.*
