Bianca—

Salt Lake City Code Section 2.44.090E allows a City official to accept “gifts” of a nominal value that are “substantially commemorative in nature” and specifically mentions “T-shirts”. The language of the Executive Order on gifts is different, but I think would still allow the Mayor to accept the jersey in this context.

Thanks

Ed

It’s the day of the renaming of the franklin covey stadium.

Is April 7<sup>th</sup> Opening Day? Is that what the press conference is about?

Thanks

I assume in these circumstances, it’s okay for us to get a jersey for a “ceremonial” Mayoral purpose? I’m paranoid about this stuff so I always check with you. Thanks, Ed.

Bianca,

Can I also get Mayor Becker's shirt size? We're ordering jerseys for all the participants of the press conference.

Thanks.
