Scheduling an Inspection

Online

slcpermits.com

- From the website, click on the **"Schedule Inspection"** button
- Make sure you are registered for a citizen access account
- Under the **"Building"** tab, click on "Schedule an Inspection"
- Enter the BLD permit number and click **"Submit"**
- You can now schedule your inspection
- To view the results of an inspection from within the citizens access site, under the **"Building"** tab select **"Check / Research Permits"**; or from www.slcpermits.com, click **"Research Existing Permits"**
- If additional assistance is needed please refer to the online guide "Contractor Inspection Scheduling" found at <https://aca.slcgov.com/citizen/Login.aspx>

Phone

801-535-6000

- After dialing the main number, press **"2"** in the main menu.

You will then be given three options:

"1" Schedule an inspection

"2" Cancel / reschedule an inspection

"3" Obtain inspection results

- Your BLD permit code, 3 digit inspection code, and a point-of-contact phone number (on-site phone) will be needed to complete the scheduling.

The inspection is not scheduled until a confirmation number is provided, please follow all steps.

If your gas or electricity needs to be turned on please schedule a ***CLEARANCE*** inspection
