Obtaining a Certified Address

If you are going to be constructing a new structure in Salt Lake City, you will need to get a certified address for your building. To check on this and the process involved, call one of the following people at the Engineering Division before proceeding to their offices at 349 South 200 East, First Floor, to obtain a certified address. Their office hours are 8:00 am to 4:30 pm Monday through Friday. The cost of this address certificate is \$10.00. The general number for Engineering is 801-535-6248.
