Scheduling an Inspection

Online

slcgov.com

- From the website, click on the Citizen Access Portal
- Under Building click on Check/Research Permits
- Enter Permit number or Street Address, click Search
- Click on Record Info then Inspections
- You can now schedule your inspection
- To view the results of an inspection instead of the last step look under COMPLETED you will see all of your inspections. Click on View Details and then on View Result Comments
- If additional assistance is needed please refer to the online guide "Contractor Inspection Scheduling" found at <https://aca.slcgov.com/citizen/Login.aspx>

Phone

801-535-6000

- After dialing the main number, press **"2"** in the main menu. You will then be given three options:
 - "1"** Schedule an inspection
 - "2"** Cancel / reschedule an inspection
 - "3"** Obtain inspection results
- Your BLD permit code, 3 digit inspection code, and a point-of-contact phone number (on-site phone) will be needed to complete the scheduling.

The inspection is not scheduled until a confirmation number is provided, please follow all steps.

If your gas or electricity needs to be turned on please schedule a *CLEARANCE* inspection
