Trends/Issues Identified and Relayed to the Police Department

A case was recently heard by the Board wherein the involved officer failed to bring his issued body camera with him. This case is another example wherein issued equipment was not utilized. CRB strongly recommends that the Chief issue a memo reminding officers that the use of Body Cameras are not optional, but expected.

There are four OISs pending with the most dated one occurring on 4/19/18 and still pending in the SLCoDA's office. As noted last quarter, this delay is problematic for the individuals involved in the matter, including the deceased citizen's family. Again, CRB is requesting that the Chief make contact with the DA's office and attempt to get this matter resolved since clearly, there is no continuing gathering of evidence.

No other trends were noted this quarter.
