Trends/Issues Identified and Relayed to the Police Department

No trends were noted this quarter, continuing a second outstanding quarter of low complaints and no trends. PCRB is very glad to see no complaints this quarter dealing with Search and Seizure issues as that has been a nagging issue for the last number of quarters.

PCRB is excited to announce that Salt Lake City will be hosting the annual NACOLE (National Association of Civilian Oversight of Law Enforcement) conference in September of this year. The NACOLE conference generally attracts over 300 individuals involved in “civilian oversight” to a conference that emphasizes issues of mutual interest to all of the membership, nationwide.
