

RESOLUTION NO. \_\_\_ OF 2019

Interlocal Agreement Between Salt Lake City Corporation and Millcreek Regarding Boundary Adjustments

WHEREAS Salt Lake City Corporation (“Salt Lake City”) and Millcreek agree on the value of collaborating as neighbors, and

WHEREAS elected officials in both municipalities recognize the importance of precedent, predictable public policy and of preserving stable and reliable boundaries, and

WHEREAS the established boundaries of an entity are a key factor in the stability of that entity and its constituents, and

WHEREAS Salt Lake City admires and respects the work that the new city of Millcreek has undertaken for its creation and development, particularly in respect of planning for future growth in a new “city center” adjacent to Salt Lake City and integrated with Salt Lake City’s own plans for future growth, and

WHEREAS Millcreek admires and respects Salt Lake City’s leadership in planning for growth which incorporates transit, affordable housing and strives to mitigate congestion and improve air quality, and

WHEREAS both Salt Lake City and Millcreek recognize the challenges to coherent planning presented by the small area of Salt Lake City bisecting Millcreek’s proposed city center project located between Woodland and Miller Avenues between 1300 East (Richmond) and Highland Drive and a separate location consisting of the roundabout located near 2300 East and I80; and the cities have proposed boundary changes in the Interlocal Agreement that facilitate Millcreek’s City Center Master Plan, and

WHEREAS the boundaries existing as of the date of the incorporation of Millcreek as modified by the Interlocal Agreement are recognized and supported by both entities as a matter of public policy now and in the future, and

WHEREAS we recognize and welcome our mutual needs, as well as rich opportunities for interface at our shared border, including future cooperation and collaboration in transportation and redevelopment efforts to make the Greater Brickyard Area and Millcreek’s City Center function as an attractive area for residents of both cities to live, work and play, and

WHEREAS cities are established under Utah law through a defined process and a component of that process demonstrates to the future taxpayers that the proposed City can sustain itself under the parameters outlined by that proposed City and supported by its voters, and

WHEREAS each City holds the tools and the authority to incentivize development within its own City boundaries to enhance economic bases, and also has the authority to levy taxes and fees within its respective boundaries, and

WHEREAS each City is responsible to provide, contract for or otherwise arrange public safety and other local government services within its jurisdiction but not outside its jurisdiction, except as cities assist abutting entities within the professional reciprocal mutual aid standards, and

WHEREAS Millcreek and Salt Lake City are committed to providing services within their own respective boundaries, and

WHEREAS methods are available to track and confirm that the appropriate entity is furnishing the public safety and other services within its boundaries and each City has access to such data and is committed to monitoring service delivery, providing information to the public and promptly addressing issues should any arise, and

WHEREAS the cities agree that municipal land use decisions and redevelopment efforts should be made cooperatively, especially where City boundaries are concerned, and

WHEREAS Salt Lake City and Millcreek continued and concluded successful, amicable negotiations once concerns of third-party intervention were removed, and

WHEREAS elected officials from Salt Lake City and Millcreek have convened to share vision, decide on mutual expectations and identify shared goals, and

WHEREAS in an urban environment it is improbable that City boundaries would be ideal in the view of all parties; where imperfect boundaries exist, process is established in Utah law for making adjustments, and

WHEREAS the cities have explored a number of possibilities, and decided to propose the boundary adjustments and related terms referenced by the Interlocal Agreement, and

WHEREAS the boundary adjustment at issue would be undertaken to accommodate a unique circumstance to accommodate the continuous development of the Millcreek city center, and would provide Salt Lake City with compensation deemed fair and equitable by its elected officials;

WHEREAS, Utah Code Ann. § 10-2-419 requires that the legislative body of each municipality intending to adjust a boundary that is common with another municipality to adopt a resolution indicating the intent of said legislative body to adjust the common boundary; and

WHEREAS, Salt Lake City, and Millcreek desire to adjust their common boundaries at one location situated between Woodland and Miller Avenues and between 1300 East (Richmond) and Highland Drive, and a separate location consisting of the roundabout located

near 2300 East and I80. A map showing the approximate locations of the adjustments of the properties is attached hereto; and

WHEREAS, Salt Lake City and Millcreek have prepared the attached Interlocal Agreement to memorialize their understanding regarding the proposed boundary adjustment and related terms and conditions; and

WHEREAS, the Salt Lake City Council hereby indicates its intent to adjust the common boundaries with Millcreek as shown on the map attached hereto subject to the Interlocal Agreement; and

WHEREAS, the Council finds that the boundary adjustment meets the standards established by Utah Code Ann. § 10-2-419;

**NOW THEREFORE; BE IT RESOLVED** that it is the intent of the Council to adjust the common boundaries as described herein unless a protest as provided in Utah Code Ann. § 10-2-419 is received against the proposed boundary adjustment;

BE IT FURTHER RESOLVED: Salt Lake City will not seek state intervention to change its boundary with Millcreek without Millcreek's express consent, and Millcreek will not seek state intervention to change its boundary with Salt Lake City without Salt Lake City's express consent, and

BE IT FURTHER RESOLVED: Salt Lake City and Millcreek agree that if a dispute arises with regard to their mutual boundary or other circumstances related to the Interlocal Agreement, the dispute will be settled through negotiation; if negotiation is unsuccessful, the parties will attempt good-faith resolution through mediation before resorting to other dispute resolution procedures, and

BE IT FURTHER RESOLVED: Millcreek and Salt Lake City agree that no further adjustment of their boundary, beyond the adjustments described herein, is required or advisable, now or in the future, in the Greater Brickyard Area, and that this understanding is integral to the willingness of Salt Lake City and Millcreek to agree to the Interlocal Agreement, and

BE IT FURTHER RESOLVED that the Interlocal Agreement is approved, and that the Mayor is hereby authorized to execute such Interlocal Agreement, or a substantially similar version of the Interlocal Agreement with only minor changes that do not materially affect the rights and obligations of Salt Lake City.

E. The Parties desire to enter into an “interlocal agreement” pursuant to the authority granted in the Interlocal Cooperation Act (Utah Code Ann. § 11-13-101, *et seq.*) (the “*Interlocal Act*”), and more specifically Utah Code Ann § 11-13-215 that provides in part that a city may, at the discretion of the local governing body, share its tax and other revenues with other cities.

F. The Parties are “public agencies” and cities for purposes of the Interlocal Act, and, consequently, are authorized to enter into this Agreement.

G. The Parties have determined that it is mutually advantageous to enter into this Agreement.

## **AGREEMENT:**

**NOW, THEREFORE**, in consideration of the premises and in compliance with and pursuant to the terms hereof and the provisions of the Interlocal Act, the Parties hereby agree as follows:

### Section 1. **Boundary Adjustment.**

A. Unless, at or before the hearing described in Utah Code Ann. §10-2-419 (2)(b), a written protest to the adjustment is properly filed by a person described in Utah Code Ann. § 10-2-419 (3)(d)(i) or (ii), the Parties agree that on or before \_\_\_\_\_ each party will adopt an

ordinance approving the adjustment of their common boundaries for the area identified in the Property as further described and depicted in exhibit “A”. The Parties agree to promptly pursue all requirements/filings to consummate the boundary adjustment contemplated herein.

- B. The Parties also agree to execute any easements necessary to preserve Salt Lake’s unencumbered access to utilities within the new Millcreek boundary, which easements will be recorded at the time of the filings to consummate the boundary adjustments.

Section 2. **Revenue/Tax Sharing.** Millcreek agrees to pay to Salt Lake a total aggregate amount of \$610,000.00 (“Revenue Share”) payable in ten consecutive equal payments of \$61,000.00 each, beginning on February \_\_, 2020, and continuing on the same day of February of each year thereafter until paid in full. Millcreek’s obligation to pay the Revenue Share is specifically conditioned on the boundary adjustment being effective as set forth in Utah Code Ann. § 10-2-425.

Section 3. **Legislation.** Millcreek agrees not to encourage and/or support legislation to change the boundaries between Millcreek and Salt Lake with respect to an area known as the Brickyard, and Millcreek acknowledges that this understanding is a material consideration and is integral to the willingness of the Parties to enter into this Agreement.

Section 4. **Conflict Resolution.** In the event of a dispute between the Parties regarding this Agreement, the Parties agree (without limiting any and all other legal and equitable remedies) that representatives of each of the Parties will meet as soon as practical to discuss and attempt to resolve the dispute. If the Parties do not agree, then the dispute shall be resolved pursuant to Section 9 below.

Section 5. **Indemnity.** The Parties are governmental entities under the “Governmental Immunity Act of Utah” (Utah Code Ann. § 63G-7-101, *et seq.*) (the “*Immunity Act*”). Consistent with the terms of the Immunity Act, and as provided herein, it is mutually agreed that each of the Parties is responsible and liable for its own wrongful or negligent acts which are committed by it or by its agents, officials, or employees. No Party waives any defenses otherwise available under the Immunity Act nor does any Party waive any limits of liability currently provided by the Immunity Act.

Section 6. **Term.** This Agreement shall be effective immediately upon its full execution and delivery. This Agreement shall terminate on \_\_\_\_\_ if the boundary adjustments described in Section 1 have not been completed by that date. If not sooner terminated, this Agreement shall terminate on 30 June 2069.

Section 7. **Additional Interlocal Act Issues.**
