7/17/2020 11:41	Elliot Bigler	<p>I am a resident of Salt lake county. I am writing to demand that the City Council adopt a budget for the people, that prioritizes community wellbeing and redirects funding away from the police. We are in the midst of widespread upheaval over the systemic violence of policing, embodied by the SLCPD's well documented history of lethal force against residents of color. Empty gestures and suggestions of reform are unacceptable. I am demanding the voices of this movement be heard, and that real change be made to the way this city allocates its resources. Support for marginalized communities is necessary now, more than ever. But instead, the Mayor has proposed an increase in funding to the SLCPD, while social services and education--proven to better promote community safety than policing--stagnate. The SLCPD has seen a rise in overtime pay which, when too often paid out to officers responsible for harassing unhoused, Black, Indigenous, and Latinx residents, is deeply insulting. I am demanding that the City Council defund the SLCPD. I demand a budget that adequately and effectively meets the needs of impacted Utahans during this trying and uncertain time, when livelihoods are on the line. I demand a budget that supports community wellbeing, rather than empowering the police forces that tear us apart. Although City Council has thus far avoided voting or revising Mayor Mendenhall's budget proposal, the document is back in your hands. It is your duty to represent your constituents. I am urging you to completely revise the SLC budget for 2020-2021 fiscal year, and to fund care, not criminalization and incarceration. You must adopt a budget for the people. Public opinion is with me. Thank you for your time, Elliot Bigler</p>

7/17/2020 11:40	Lynette Rocha	I noticed that you said you are defunding police. But, what you passed is not defunding police. It is moving the money around to help the police. I am glad you will still be helping the police department. They are not getting paid enough for putting their lives on the line as it is. Aren't their lives worth more than what you are paying them?? Especially when they could not even keep the peace over the riots recently without backup from all the other police departments in he State volunteering to back them up. Yall need to start supporting your police department so the public feels safe coming to your businesses there in Salt Lake. I do not live in Salt Lake but work here. Please keep us safe by supporting not degrading your ill paid servants. Concerned Citizen Sent from Mail < https://go.microsoft.com/fwlink/?LinkId=550986 > for Windows 10
