FisherMansion	John Clapp	I am in support of continued funding to utilize the jewel of a home, the Fisher Mansion. I know the city has visions and investments including the Folsom Trail , the bridge that was built over the railroad tracks and the upcoming developments of housing coming to the North temple area, It makes great sense to include the Fisher Mansions part of the vision for our city. The Jordan River , the bike trails, would only be enriched by the investment of this building along the Jordan River. Thankyou John Clapp (resident of the Euclid Neighborhood)	n/a
Fleet Block	Mary Castellanos	I've included the signed petition so far. Please save the murals, we've lost our loved ones in such a horrific way, please don't take this away from us too, it has brought us a place of peace, new friendships, and support systems. We have come together to collect for those less fortunate, items such as clothing and food. This could be a very positive space, we all just need to work together. Thank you Mary Castellanos <b>*See Corresponding Attachment*</b>	5
City Creek Canyon	Anonymous	The individual who called is concerned about the lack of care near the City Creek Canyon area behind the Capitol. She believes the City should invest more resources in the area.	3

Crime in District Five	Dale Scott	Good Morning, I live in your district and voted for you. I want to express my absolute disappointment in you're your ineptitude and failure to represent the people who elected you. Crime in our neighborhood has reached the point where we are one of the most unsafe places in the city. We have had two murders/shootings in the last few weeks, both of the perpetrators are still at large. You appear either to be totally out of touch, not bothered or completely ineffective in doing anything to help us in this situation. The current mayor who preceded you also seems to have no clue how to deal with the crime in the city overall but at least she was present and visible when she was our council member. The fact that your nickname in the district is Darin "The Invisible" Mano pretty much sums up your job performance. Specifically we have a "convenience" store which is actually a head shop and open air drug market next to an elementary school in the middle of a residential neighborhood. A child was almost killed in a drive by shooting at this store a few months ago and another drive by shooting resulted in a murder last week. We have been pleading with you, the mayor and anyone who could help if they cared for months about this. The owner claims they have never witnessed criminal activity in the area around his "convenience" store. Everyone knows they're lying but apparently you couldn't care less. Thieves roam the area every single night trying to steal anything from us that isn't nailed down and then head back to their campsites which are all over the area. Why is Salt Lake City the only major city I've ever lived in whose police department has zero interest in community policing? How about cops actually get out of their cars and walk around the neighborhood including Liberty park getting to know it and the people who live in it? What a novel idea. And please don't blame the pandemic, they have never patrolled the area for the past decade. I won't even mention the Hooker Hotels that the city is so proud of that line State street. Please do your constituents a favor and resign if you can't contribute anything to solving this issue. Sincerely, Dale Scott	5
Crime in District Five	John Smith	Dear Council, You know what was happening at Corner Stop, but you did nothing. This has been forwarded to the media. How many more people have to die before you do your job?	5

1/5/2021 11:08	Polly Butler Jette	<p>Subject: (EXTERNAL) Dear Ana. My name is Polly Butler Jette and I live at [REDACTED] in SLC. I have lived in my home for 29 years and have NEVER experienced the fear and frustration I now feel living in the liberty park area. I am fed up with the crime in my area and have decided to start a grass roots movement to address and replace every member of the city council and any other public servant that has put "road blocks" in place to solve the huge problem we now have. We have experienced a massive increase in criminal activity on my street and on my own property in the past few months and especially the past few weeks. Last night for the fifth time in two weeks we encountered a stranger on our property trying to break into our cars and our home. We are under siege in the Liberty park area! For years this area has been improving and in a few short months it's crime has gotten worst then it's ever been, EVER!!! DO SOMETHING! The DA doesn't prosecute anyone that isn't charged with a federal crime so these "petty" criminals just get bolder and the crimes just keep getting worse. There was a car jacking three blocks from our home last night. <b>*Continued 1/2*</b></p>

	Polly Butler Jette	<p><b>* Continued 2/2 *</b> Im asking you to support the hiring of more police and TRAIN THEM. THIS WILL IN TURN support your citizens!! We need solutions and we need it now! This administration is failing its community and have handled the homeless situation, the riots, and worse of all the lack of support for our police department in a deplorable manner. 80 officers have left the SLC department since May. They can go to a dozen other cities, make more money and not be put on such dangerous circumstances. WE NEED THESE OFFICERS!! TRAIN THEM, SUPPORT THEM, HIRE MORE OF THEM, BEFORE WE BECOME AN EVEN MORE DANGEROUS CITY!! It is out of control. While you people put a "hiring freeze" on new officers you also piss money away on total pork projects while we are left to defend ourselves against the biggest crime wave this city has ever seen. What the hell is going on???? Everyone I've talked to is fed up. I'm afraid to walk out my own back door because of who may be out there. I'M FED UP AND IM SCARED!! YOU AND THE OTHER COUNCIL MEMBERS ARE NOT DOING ENOUGH TO CHANGE THE SITUATION.</p>
