ISSUE AT-A-GLANCE

The Administration has submitted eight grant applications. In an effort to ensure that the City Council, Council staff and the public has adequate opportunity to see and comment on them, the grant application notifications will be included in the Council meeting agendas under Public Hearings. There won't be a set date since this is not a required hearing.

2. **School-Age Program Grant 2020 Utah Department of Workforce Services (UDWS) | Utah Office of Child Care (Plaza 349 YouthCity)**

Purpose/Goal of the Grant: If awarded, the grant monies will be used to fund the expansion of the Plaza 349 YouthCity childcare programming in order to accommodate an additional 18 youth participants. Currently there is one group of 18 youth participants at this location. This request will allow the expansion of the number of groups to two, for a total of 36 participants, and requires the hiring of one additional FTE Group Facilitator position and four part-time Group Facilitator positions. Salary and benefits for the additional positions will be funded by the grant. Childcare is provided Monday thru Friday, seven hours a day over the eight months of the school year, and will now expand the ages of the youth to include children K-6th grade.

The Council may wish to note that the expansion of the number of staff required to meet the school day needs was not covered in the \$1.6 million appropriation in Budget Amendment Number Two. Additionally, these grant funds are for expansion of program hours and staff, not additional program sites. The Main Library and Plaza 349 programs are program relocation from the Central City Recreation Center and Ottinger Hall buildings. Both program relocations were to accommodate COVID-19 health and safety guidelines per Child Care Licensing requirements.

Grant Amount: Maximum of \$14,700 per month during the 2020-21 school year

Requested by: Department of Public Services, Division of Youth and Family

Funding Agency: Utah Department of Workforce Services

Match Requirement: A match is not required.

Staff Recommendation: Please refer to motion sheet.
