PART II: ELIGIBILITY

A. LOCAL GOALS & PRIORITIES

Salt Lake City's 2015-2020 Consolidated Plan is a strategic plan focused on building ***Neighborhoods of Opportunity*** to promote capacity in neighborhoods with concentrated poverty and to support the City's most vulnerable populations. The five-year plan provides a strategy for maximizing and leveraging the City's block grant allocations to build healthy and sustainable communities that connect and expand opportunities for housing, education, transportation, services and economic development.

Projects funded through Salt Lake City's HOME program must align with the goals and priorities outlined in the 2015-2020 Consolidated Plan.

Select the Consolidated Plan Priorities and Goals that apply to your program/project. Check all that apply.

PRIORITY:	GOAL:
<input type="checkbox"/> HOUSING To provide housing options for all economic and demographic segments of Salt Lake City's population while diversifying the housing stock within neighborhoods.	<input type="checkbox"/> Expand housing options for extremely low-income (ELI) individuals and special needs populations. <input type="checkbox"/> Support affordable housing development in high opportunity areas. <input type="checkbox"/> Improve and rehabilitate the housing stock in concentrated areas of poverty. <input type="checkbox"/> Expand affordable housing opportunities within walking distance of transit stations. <input type="checkbox"/> Develop healthy and sustainable housing that utilizes energy conservation and green building technologies. <input type="checkbox"/> Provide housing opportunities to emphasize stable housing as a primary strategy to end homelessness.
<input type="checkbox"/> EDUCATION To promote educational opportunities, with focus on reducing intergenerational	<input type="checkbox"/> Address the digital divide by promoting digital inclusion through access to communication technologies. <input type="checkbox"/> Expand access to affordable early childhood education to set the stage for academic achievement and social development.

<input type="checkbox"/> TRANSPORTATION To promote access to public transportation for all Salt Lake City residents.	<input type="checkbox"/> Support access to public transportation for vulnerable populations. <input type="checkbox"/> Increase the accessibility of public transit in distressed neighborhoods. <input type="checkbox"/> Expand and improve multimodal transportation infrastructure .
<input type="checkbox"/> ECONOMIC DEVELOPMENT To expand access to economic mobility and commercial facilities.	<input type="checkbox"/> Provide job training programs for vulnerable populations, including chronically homeless, refugees and persons with disabilities. <input type="checkbox"/> Expand and improve commercial infrastructure in distressed neighborhoods. <input type="checkbox"/> Expand economic opportunities for low-income residents.

Community Needs:

Based on the **Priorities** and **Goals** selected on the previous page, describe the need or problem to be addressed. Include quantifiable data to demonstrate need.

Activities to Address Needs:

Based on the **Priorities** and **Goals** selected on the previous page, how will the proposed project address the identified problem/needs. Include a discussion on the services or activities used to carry out the project/program.

Anticipated Outputs:

Briefly describe measurements of the anticipated outputs. Examples would include the number of low/moderate income clients served, the number of households served, or number of units constructed.

PART III: PROGRAM/PROJECT INFORMATION

A. PROJECT DESCRIPTION

Provide a concise description of the proposed project/program:

Describe how you would use the HOME funds from Salt Lake City, if awarded:

Is this an ongoing program or project?

Yes No

- If ongoing, how long have you operated this program/project?:
- If ongoing, do you anticipate any changes to the program/project during the 2015-16 program year?
 Yes No

If Yes , describe the anticipated changes:

- If this is a new program/project:

Project start date:

Anticipated end date:

Select the eligible activity that best describes your proposed project:

- Acquisition of land or existing units
- New construction
- Reconstruction or rehabilitation of non-luxury housing
- Eligible forms of financial assistance to homebuyers
- Tenant -based rental assistance

Describe how your proposed project will meet HUD's required period of affordability.

List the tasks to be accomplished and provide a schedule for completing them.

Describe how your organization will verify that clients using HOME funds for home ownership are income-eligible (80% of area median income or less) and will occupy the property as a principal residence.

Will your project address the issue of visit-ability for people with disabilities and mobility impairments? Please explain.

B. PERFORMANCE MEASUREMENTS

In order to comply with Congressional and executive performance measurement mandates to assess program performance, HUD now requires its grantees to provide information on their achievements and investments. Performance measurement is a tool to capture information about program performance in order to determine how well programs and activities are meeting the needs and goals defined in the grantee's consolidated plan.

Objectives:

Select **one** HOME objective that best describes your program/project:

Providing Decent Housing: focuses on housing activities whose purpose is to meet individual

- family or community needs. Does not include programs where housing is an element of a larger effort to make community-wide improvements, since such programs would be more appropriately reported under the *Creating Suitable Living Environments* objective.

Creating Suitable Living Environments: relates to activities that are designed to benefit

- communities, families, or individuals by addressing issues in their living environment. Intended to address physical deficiencies or health/environmental concerns.

Outcome:

Select **one** HOME outcome that best describes your program/project:

Affordability: applies to activities that provide affordability in a variety of ways in the lives of low- and moderate-income people. Affordability is an appropriate objective whenever an activity is

- lowering the cost, improving the quality, or increasing the affordability of a product or service to benefit low- and moderate-income household. For instance, a low interest loan program might make loans available to those of low- and moderate-income that is below the market rate. As a result, this lowers the cost of the loan and the program makes financing more affordable.

Availability/Accessibility: applies to activities that make services, infrastructure, public services, public facilities, housing, or shelter available or accessible to low-and moderate-income people,

- including persons with disabilities. In this category, accessibility does not refer only to physical barriers, but also to making the affordable basics of daily living available and accessible to low- and moderate-income people where they live.

Sustainability: applies to activities that are aimed at improving communities or neighborhoods, helping to make them livable or viable by providing benefit to low- and moderate-income

- persons or by removing or eliminating slums or blighted areas, through multiple activities or services that sustain communities or neighborhoods. This outcome is designed for communities or neighborhoods and is not used for reporting housing assistance to individual households.
