## **Ballpark NEXT**

Salt Lake City is excited to announce the **Ballpark NEXT Design Competition**—an opportunity for residents, post-secondary students, and development professionals to tell us what they envision for the future of the Smith's Ballpark site.

After 100+ years of baseball on the site, we're excited to get input from you on what's next, and for you to provide your ideas to help the City reimagine uses for the site that will serve the neighborhood, City, and our residents for decades to come!
