

## PROPOSED TRAIL SYSTEM

# RECOMMENDED AND EXISTING TRAILS

The proposed system combines existing and recommended routes to generate an environmentally sustainable, enjoyable, accessible, safe and low-maintenance trail system.

## TRAIL NETWORK

### EXISTING

-  Bonneville Shoreline Trail
-  Shared Use Trail
-  Uphill bike-only / hiker multi-directional trail
-  Bike Optimized Directional Trail
-  Hiking Only

### PROPOSED

-  Shared Use Trail
-  Uphill bike-only / hiker multi-directional trail
-  Bike Optimized Directional Trail
-  Hiking Only

## DESTINATIONS + BOUNDARIES

-  Official Trailhead
-  Major Access Point
-  Secondary Access Point
-  Train Stations
-  School
-  Project Boundary
-  Special Use Area
-  Cemetery
-  Parks
-  Water Body
-  Salt Lake City

## KEY TRAIL IMPROVEMENTS

-  Access improvements near trailhead
-  Short trail loops near trailhead
-  Sustainable uphill bike / multi-way hiking trail to Living Room
-  Low angle beginner loops in Red Butte canyon
-  Sustainable uphill bike / multi-way hike trail to Mt. Van Cott
-  Downhill bike traffic separated from hikers and uphill traffic in Dry Creek
-  Popperton Park progressive mountain bike trails and skills area
-  "Backcountry" loop trail in upper Dry Creek
-  More gentle trail options into & out of City Creek Canyon
-  Loop hiking trail around Memory Grove
-  New trail connection to Warm Springs Park
-  New singletrack BST connection avoids fire roads
-  New bike optimized directional trail into Wild Rose (connects to existing Wild Rose downhill trail)

0 0.5 1 MILES
