

Three Creeks Confluence Open Space: Reactivation and Riparian Restoration Project

SALT LAKE CITY CORPORATION, PARKS AND PUBLIC LANDS DIVISION

Public Workshop Series 2 Workshop Response Form

As the design process continues, it is useful to solicit input from community members on several conceptual designs for the project area. To facilitate your feedback, we have prepared a set of questions for you to consider. Please use this Workshop Response Form to tell us your opinion of the three design concepts, as well as the improvement projects that are most important to you. If you need more space, feel free to attach additional sheets to this form. If you need more time, please mail this response form to Tyler Murdock, Salt Lake City Parks and Public Lands, 1965 West 500 South, Salt Lake City, Utah, 84104-3511, by Friday, July 29, 2016. Thanks again for your participation!

Which design concept(s) do you prefer and why? Feel free to mix and match elements.

Which design concept(s) or improvement projects do you dislike and why?

Are there any amenities or elements not listed that you would like to see included in the project?

If you do not mind, please provide us with your name and address (for project updates only):

THANKS AGAIN FOR YOUR PARTICIPATION!
