

# Three Creeks Confluence Open Space GUIDED TOUR FOR THE PUBLIC

Salt Lake City Open Space Program is hosting a community site visit for the Three Creeks Confluence project.

City staff, and our partner Bio-West Inc, will be present to discuss the proposed Three Creeks Confluence project and answer any specific questions regarding the project site and future improvements occurring in this area.

**900 W. 1300 S.**

Meet just north of the auto shop

**September 21st**

**Please arrive promptly at 5pm**

---
