

Melanie Pehrson

Melanie joined the Board in 2021 representing District 2. She has resided in the Poplar Grove neighborhood on SLC's west side for the last five years. She actively wants to be part of cherishing and revitalizing our public spaces for everyone to enjoy. She has three small children and they live for public spaces, especially being outdoors and enjoying nature. They are especially fond of walking and biking the Jordan River, just a few blocks away from her home. In addition to the PNUT Board, she plays the clarinet in the Murray Symphony, works for PBS KIDS Utah as an Education Coordinator, and keeps her little ones alive and curious.
