Please be respectful of those around you. Amplified music is *not allowed* in the pavilions without a special event permit: bands, amplifiers, DJs, loudspeakers, and speaker systems all require a special event permit.
- **Clean up the Pavilion when you are Finished**
 - All paper and food should be placed in trash containers located at the facility or carried out with you.
 - Please use the recycling bins that are provided at each pavilion for your recyclable items.
 - Cooking of food must be done in appropriate areas. Hot stoves, grills, or hibachis are not permitted on top of the picnic tables.
 - If rotisserie cooking, grease needs to be contained; if the grease is not contained, fees may be assessed. Damage to City property varies based on damage cost.
 - If you believe you will need an extra trash bin for your pavilion reservation, it is your responsibility to call the Parks Division at least one week in advance to notify us.
 - You may be charged additional fees if your pavilion site is left excessively dirty for our Parks Division crews to clean up.
 - Do not place hot coals in trash containers.
- **Pavilion Conditions**
 - It is important that you indicate on your reservation booking what time you will arrive at the pavilion.
 - The Parks Division cannot ensure the condition of the pavilion if you arrive after your stated start time on your reservation booking.

Insurance certificates can be obtained from the company that provides the inflatable device.
 - It is your responsibility to make sure that SLC Parks gets the evidence of insurance before the reservation date. Fax the certificate to 801-972-7847 at least a week prior to your reservation.
