

Engaging kids in our public lands.

Experience the awe of our local wildlife.

Foster connections to our natural places.

**We believe that every child
has the right to the great outdoors.**

Helping our youth enjoy the natural wonders around them is what Salt Lake City Children's Outdoor Bill of Rights is all about. The result of collective efforts from SLC's *Trails & Natural Lands*, SLC's *Division of Youth & Family*, and other diverse service providers, this unique citywide program aims to help our children get outside and experience *our* great outdoors.
