FEE REQUIRED

Council Member candidate:

- \$90
- Or in lieu of the fee, submit a petition signed by 75 residents within the council district who are at least eighteen (18) years old. This petition will be construed as an alternative to payment of the required fee for persons for whom such fee would create a financial hardship.

DECLARATION OF CANDIDACY – REQUIREMENTS

Candidates must file a "[Declaration of Candidacy](#)" form with the City Recorder (see Section VI of this guide). Candidates must file in person during the hours of 8:00 am to 5:00 pm from August 10 to August 17, 2021 (excluding weekends and holidays). The City Recorder's Office is located at 451 S. In lieu of the fee, an additional 25 signatures of residents of the council district is required.

Candidates may withdraw candidacy by filing a "[Withdrawal of Candidacy](#)" form (see Section VI of this guide). The deadline for the General Election is August 31, 2021. Immediately following the filing deadline, the City Recorder will publish the names of candidates in the Salt Lake Tribune as well as on the City Recorder's Website and the Utah Public Notice Website. Any "Declaration of Candidacy" or "Nomination Petition" will be deemed valid unless a written objection is filed with the City Recorder within five days after the last day of filing. If an objection is made, the City Recorder will immediately email or personally deliver written notice of the objection to the affected candidate and decide on any objection within 48 hours after it is filed. If the City Recorder sustains the objection, the candidate may correct the problem by either amending the declaration/nomination petition or by filing a new declaration within three days after the objection is sustained.

INFORMATION GUIDE FOR SALT LAKE CITY CODE [2.46.050\(H\)](#), ACCEPTING CONTRIBUTIONS FROM THOSE UNDER CONTRACT OR SEEKING TO CONTRACT WITH THE CITY

2.46.050: CONTRIBUTIONS TO CANDIDATES; LIMITATIONS:

H. It shall be unlawful for any person:

1. Who enters into any contract or seeks to enter into any contract with the City either for the rendition of personal services or furnishing any material, supplies, or equipment to the city or for selling any land or building to the city, if payment for the performance of the contract is to be made in whole or in part from city funds, at any time between the commencement of negotiations for the contract and the later of: a) the completion of performance under the contract, or b) the termination of negotiations for the contract, directly or indirectly to make any contribution to a candidate or personal campaign committee; or

2. Knowingly to solicit a contribution from any such person during any such period.

FREQUENTLY ASKED QUESTIONS:

Q: Does section 2.46.050H apply only to business entities?

A: No. The prohibition applies to “persons,” which the city code defines to include “individuals,” “business organizations,” and other kinds of groups. Therefore, if a contract is between the City and an individual, then that individual would not be allowed to contribute under the provision.

Q: Can an individual contribute to a campaign if a business entity they are affiliated with, or that employs them, has a contract with the City?

A: Yes, a person may contribute in their individual capacity even if their business entity, or an entity that employs them, has a contract with the city.

Q: During what period of time does the prohibition apply?

A: The prohibition applies between the beginnings of negotiations for the contract and ends when the performance of the contract is complete or the negotiations terminate, whichever happens first.

Q: What kinds of contracts does the prohibition not apply to?

A: The prohibition applies only to contracts for the rendition of personal services to the City, the furnishing of materials, supplies, or equipment to the City, of the selling land or a building to the City. It doesn't apply to other kinds of contracts such as donation agreements, a lease with the City, or a service (such as utility service) provided by the City. [2.46.010](#) DEFINITIONS: PERSON: Both natural and legal persons including, but not limited to, individuals, business organizations, personal campaign committees, political committees, party committees, labor unions, labor organizations and any other organized group of individuals.

Q: If someone submits a proposal in response to an RFP, can a candidate or campaign accept a contribution from them?

A: Yes, up to the point that the City identifies the contributor as the apparent winner and negotiations begin.

Q: Candidates and campaigns can't knowingly solicit contributions prohibited by 2.46.050(H)(1). Will a candidate or campaign violate 2.46.050(H)(2) if they unknowingly solicit a contribution that is prohibited by 2.46.050(H)(1)?

A: Contributors who are contractors with the City violate 2.46.050(H)(1), even if they are unaware of that section. Therefore, candidates and campaigns would do those potential contributors a favor if they refused those contributions and educated the contractor about the restriction in 2.46.050(H)(1). Also, a candidate or campaign who receives (but didn't solicit) such a contribution might have a defense that they did so unknowingly, but candidates and campaigns should not put on blinders and accept contributions that they could, with reasonable diligence, have determined were from City contractors.

Q: What is the legal consequence of violating the ordinance?

A: A City contractor who makes a contribution prohibited by 2.46.050(H)(1) breaks the law, and the City Attorney would decide how to deal with that violation depending on the facts. If a candidate or campaign violated 2.46.050(H)(1), the City Recorder must report the violation to the Mayor, the City Council and the City Attorney. The violation is a criminal offense, and the City Attorney would decide how to deal with that violation depending on the facts. The candidate or campaign probably would be wise to return the prohibited contribution to the contributor. However, it can't be predicted how the City Attorney would deal with any particular violation, especially if the City Attorney perceived that the candidate or committee took the prohibition and knowingly solicited unlawful contributions, figuring that, if caught, they could solve the problem by simply repaying the money.

Q: How can someone know who has an applicable contract with the City?

A: The candidate or campaign can ask the contributor if they are in contract negotiations with the City or are in contract with the City. Also, a summary of executed City contracts can be found online at www.slclnfo.com, click the first information bar, "Ordinances, Policies & Procedures, General City"; on the right, under "General City," click "Executive Action Report 2011 to Current"; at the top left of the next screen, click the search tab and enter the search criteria. Tip: when searching more than one word, use quotations around the words, for example "ACME Company," the search result will be the words in consecutive order. To obtain a copy of an executed contract, please contact the Recorder's Office at 801-535-7671 or by email at elections@slcgov.com.

Ranked Choice Voting (RCV) or Instant Runoff Voting

2021 ★★ ★

RANKED CHOICE VOTING

In May of 2021 the Salt Lake City Council opted into the Municipal Alternate Voting Method Pilot Project, also known as Ranked Choice Voting (RCV). Participation in this pilot project changes the voting method from what is known as traditional voting to instant runoff voting and adjusts portions of the election timeline. The Primary Election for the 2021 election cycle was eliminated due to opting into the pilot project.

Ranked Choice Voting is frequently used for single-winner elected positions. The practice was used in the 2019 Municipal Elections for Utah cities Vineyard and Payson.

Timeline changes due to RCV:

Election Calendar Task	Traditional Voting Dates	RCV Dates (without a Primary election)
Declaration of Candidacy period begins	June 1	August 10
Declaration of Candidacy period ends	June 7	August 17
Municipal Primary Election	August 10	Not Applicable
Ballots begin being mailed out	Week of Oct 11	Week of Oct 11
Municipal General Election (last day to turn in ballots)	November 2	November 2

Ranked Choice Voting FAQ

Salt Lake City

Quick bullet points:

- Ranked Choice Voting allows voters to select candidates in preferential order
- In Salt Lake City, voters will be able to rank up to 10 candidates
 - For example – if there are 10 candidates there are 10 preference rankings; if there are 5 candidates, only 5 preference rankings will be listed.
- Date Changes:
 - There will be no Primary Election
 - Declaration of Candidacy period has moved from June 1-7 to August 10-17. (When candidates formally declare their intent to run for office)
 - The General Election (Election Day) remains on November 2, 2021
 - Early voting could begin around October 19, 2021, please refer to the City Recorder and Salt Lake County's website for more information closer to the date
 - Mail-in Ballots will begin being mailed out the week of October 11th, 2021
- Individuals interested in being placed on the ballot, may begin campaigning at any point of an election cycle so long as they open a Personal Campaign Committee with the Recorder's office for the purposes of raising or spending funds.

What is Ranked Choice Voting?

Ranked Choice Voting (also known as Instant Runoff Voting) can be used (or is best used) for single-winner elected positions. The practice was used in the 2019 Municipal Elections for the Utah cities of Vineyard and Payson. The method decreases the splitting of the vote (choosing one over the other).

Voters may select candidates in their preferred order, instead of simply voting against the candidate with whom the voter disagrees. In Salt Lake City, voters will be able to rank up to 10 (depending on how many Declare Candidacy in August).

How does it work?

Ballots are printed with the names listed and 10 ranking positions; voters rank the candidates by filling in the bubble in the appropriate column with the preferred ranking. More detailed ballot instructions will be provided with every ballot mailed.

The ranking will be determined through tabulation based on the following:

- If a candidate has received more than 50% of the overall vote, they are automatically declared the winner of the single-seat race.
- If none of the candidates receive more than 50% of the overall vote, the candidate with the lowest percentage of overall votes is eliminated, and those who had the eliminated candidate selected as their first choice will now have their votes counted for the candidate they chose as their second preference. This process of elimination continues until a candidate crosses the 50% threshold and is declared the winner.

What order will the candidates be in?

Candidates are positioned in order of the Master Ballot Position List, which is established on even numbered election years by the Lieutenant Governor's Office in accordance with §20A-6-305. For more information on this process please visit this link:

<https://voteinfo.utah.gov/wp-content/uploads/sites/42/2020/04/2020-2021-Master-Ballot-Position-List.pdf>

Additionally, here is the current Master Ballot Position List and the order that the 2021 ballot will be in:

1	2	3	4	5	6	7	8	9	10	11	12	13
P	U	Z	E	K	W	B	D	N	O	A	S	R

14	15	16	17	18	19	20	21	22	23	24	25	26
J	F	V	C	M	Q	H	I	Y	G	X	L	T

Candidates are listed in the above order with the following parameters guiding their position on the ballot:

- The candidate's surnames as written on their Declaration of Candidacy.
- If two or more candidates have surnames that begin with the same letter, the list shall be applied to each subsequent letter in the candidates' surnames.
- If two or more candidates have an identical surname, the list shall be applied to the candidates' given (first) names.

What happens if the voter chooses only one candidate?

If the voter only chooses one candidate, then if during the elimination period that candidate is eliminated, their vote would not transfer to their second choice. Essentially, ranking more than one candidate can be viewed almost as having a back-up.

What happens if there is a tie?

Ties are broken by lot in Utah (e.g. flip a coin, draw straws, etc.) It's the same for Ranked Choice Voting. If two candidates still tie, the election administrator (The City Recorder's Office) will bring both candidates in, the candidates and election officials will agree on a tie-breaker and then the candidate who wins the coin flip (or whatever method is chosen), will be declared the winner.

Will it take longer to see results?

The time period for final results remains the same as determined in state statute. Cities will have 2 weeks to canvass the election from the date of the election, and the last day for the board of canvassers to meet is November 16, 2021. What may be different to prior elections are how the results will look on a daily basis. Where RCV may eliminate candidates in rounds, the results may favor one candidate but as one is eliminated, the votes where the eliminated candidate was ranked as the voters first choice will then be transferred to their second favorite candidate. This could cause the period where ballots are being counted to show different candidates in the lead on a day-to-day basis.

What will my ballot look like?

Ballots will be printed by the Salt Lake County Clerk's Office who is contracting with the City on this year's election. The County will provide a sample ballot to the City further along in the process and it will be posted publicly.

Will it still be a vote-by-mail election?

Yes. The State of Utah is an entirely vote-by-mail state. However, cities and counties may provide in-person polling locations; these will be determined by Salt Lake County and will be posted on their website and on the City Recorder's website closer to the General Election.

Why is RCV better?

Ranked Choice Voting is often proposed by election officials, candidates, and voters alike as it can be seen as a more equitable method of voting because it gives the voter a larger say in the final candidate, as they are ranked and eliminated based on the overall rankings of all voters. Additionally, Ranked Choice Voting often saves municipalities money due to the lack of a Primary Election. This process often results in candidates conducting more civil campaigns by addressing the issues and working to appeal to a broader spectrum of voters, as they actively seek second and third choice support from initial supporters of other candidates.

How does this change the election timeline?

The timeline has one major change; however, the General Election remains the same and Election Day will still take place on November 2, 2021. Where the Primary Election was eliminated this will move the Declaration of Candidacy period from early June to August 10-17.

Does the time period change effect candidates?

Yes and no. Overall candidates can begin campaigning now and continue campaigning up to the General Election. The formal period for declaring candidacy is August 10-17 at 5:00pm. While the declaration period moves from June to August, it does not prohibit candidates from beginning to campaign. The necessary step for candidates to do immediately if they wish to raise or spend funds is to open a Personal Campaign Committee with the City Recorder's Office.

Why is there no Primary Election?

The City Council voted not to hold a Primary Election while participating in the Ranked Choice Voting Method/Alternate Voting Method Pilot Project. While their decision is due to a variety of reasons, some of the pros to not having a Primary Election under RCV are:

- 1) lowering the cost of the overall election and
- 2) if a municipality uses Ranked Choice Voting during a Primary Election, only two candidates are left for the General Election and would be voted on using the traditional voting method.

Do other cities or states (besides Salt Lake City) do this?

Yes. In 2019, Utah cities Payson and Vineyard both used Ranked Choice Voting. In 2021, the following cities in Utah are implementing Ranked Choice Voting:

- | | | |
|-------------------|------------------|----------------------|
| • South Salt Lake | • Vineyard | • Moab |
| • Magna | • Goshen | • River Heights City |
| • Bluffdale | • Newton | • Cottonwood Heights |
| • Draper | • Woodland Hills | • Elk Ridge |
| • Lehi | • Genola | • Midvale |
| • Payson | • Sandy | • Heber City |
| • Riverton | • Nibley City | |
| • Springville | • Millcreek | |

Other cities and states outside of Utah are also participating in RCV. RCV is most used by cities for local elections.

Does this impact Salt Lake City's budget and how?

Yes. It saves us money! Adjusting to Ranked Choice Voting without a Primary Election, the cost of the election has been reduced. Some of the funding that was previously allocated for elections will be used to raise RCV awareness throughout the City so voters will be more familiar and ready to vote in November.

(b) A vote is not valid for a particular phase of a multi-candidate race, and for all subsequent phases, if the voter indicates the same rank for more than one candidate for that phase.

(4) The election officer shall order a recount of the valid votes in the applicable ballot-counting phase if one candidate appears to have received at least 50% of the vote, and the difference between the number of votes counted for the candidate who received the most valid votes for the applicable ballot-counting phase and any other candidate in the race is equal to or less than the product of the following, rounded up to the nearest whole number:

(a) the total number of voters who cast a valid vote that is counted in the applicable ballot-counting phase of the race; and

(b) the recount threshold.

(5) Before excluding a candidate from a multi-candidate race under Subsection (1), the election officer shall order a recount of the valid votes counted in the applicable ballot-counting phase if the difference between the number of votes counted for the candidate who received the fewest valid votes in the applicable ballot-counting phase of the race and any other candidate in the race is equal to or less than the product of the following, rounded up to the nearest whole number:

(a) the total number of voters who cast a valid vote counted in that ballot-counting phase; and

- (b) the recount threshold.
- (6) For each ballot-counting phase after the first phase, if, after a recount is completed under Subsection (5), two or more candidates tie as having received the fewest valid votes counted at that point in the ballot count, the election officer shall eliminate one of those candidates from consideration, by lot, in the following manner:
 - (a) determine the names of the candidates who tie as having received the fewest valid votes for that ballot-counting phase;
 - (b) cast the lot in the presence of at least two election officials and any counting poll watchers who are present and desire to witness the casting of the lot; and
 - (c) sign a public document that:
 - (i) certifies the method used for casting the lot and the result of the lot; and
 - (ii) includes the name of each individual who witnessed the casting of the lot.
- (7) In a multi-candidate race for an at-large office, where the number of candidates who qualify for the race exceeds the total number of at-large seats to be filled for the office, the election officer shall count the votes by:
 - (a) except as provided in Subsection (8), counting votes in the same manner as described in Subsections (1) through (6), until a candidate is declared elected;
 - (b) repeating the process described in Subsection (7)(a) for all candidates that are not declared elected until another candidate is declared elected; and
 - (c) continuing the process described in Subsection (7)(b) until all at-large seats in the race are filled.
- (8) After a candidate is declared elected under Subsection (7), the election officer shall, in repeating the process described in Subsections (1) through (6) to declare the next candidate elected, add to the vote totals the next valid preference vote of each voter whose vote was counted for a candidate already declared elected.
- (9) An election officer for a participating municipality may choose to conduct a primary election by using instant runoff voting in the manner described in Subsections (1) through (6), except that:
 - (a) instead of determining whether a candidate receives more than 50% of the valid preference votes for a particular ballot-counting phase, the election officer shall proceed to a subsequent ballot-counting stage, and exclude the candidate who receives the fewest valid preference votes in that phase, until twice the number of seats to be filled in the race remain; and
 - (b) after complying with Subsection (9)(a), the election officer shall declare the remaining candidates nominated to participate in the municipal general election.

Amended by Chapter 305, 2019 General Session

20A-4-604 Batch elimination.

- (1) In any ballot count conducted under Section 20A-4-603, the election officer may exclude candidates through batch elimination by, instead of excluding only one candidate in a ballot-counting phase, excluding each candidate:
 - (a) for which the number of remaining candidates with more valid votes than that candidate is greater than or equal to the number of offices to be filled; and
 - (b)
 - (i) for which the number of valid votes counted for the candidate in the phase plus the number of votes counting for all candidates with fewer valid votes in the phase is less than the number of valid votes for the candidate with the next highest amount of valid votes in the phase; or

(ii) who has fewer valid votes in the phase than a candidate who is excluded under Subsection (1)(b)(i).

(2) The requirements for a recount before excluding a candidate under Subsection 20A-4-603(5) do not apply to candidates who are excluded through batch elimination.
