

Racial Equity in Policing Commission & City Council Meeting Notice

Salt Lake City Utah

Listening Session Agenda

Thursday, January 28, 2021

6:00 pm

This meeting will be an electronic meeting pursuant to the Core Commission & Council Chair determination that conducting the meeting at a physical location presents a substantial risk to the health and safety of those who may be present at the anchor location. The Listening Session will not have a physical location and all attendees will connect remotely.

The Racial Equity in Policing Commission will hold a live, televised listening community conversation with Mayor Erin Mendenhall, Police Chief Mike Brown, and members of the City Council. The session is designed to give the Commission a wide range of perspectives on policing in Salt Lake City.

Members of the audience can participate via phone, anonymous text message, or online using a dedicated social media hashtag. Answers will be posted and shared in real-time with viewers. The Commission will also conduct a random “dial-out” to several thousand homes across the community to help encourage a broad cross-section of participation prior to the listening session.

To participate during the event, members of the public can:

- Call (888) 410-3427 to participate in English
- Call (844) 881-1317 to participate in Spanish
- Text “Equity” to 22333 and wait for prompts
- Post on social media using the hashtag #slcrepcommission

Advance registration is also available at www.slcrepcommission.com but is not required for participation.
