Q13 - Please provide any comments you have on an additional City-provided service to accommodate green waste disposal.					
	Tag 1	Tag 2	Tag 3	Tag 4	
We are in a (grey area) when it comes to service, storm water, street lights, green waste, are all billed for if I could Amex back to sl county I					
would in a minute! All I have done is pay for some one else's services.	Budget Impact	Service complaint			
I mentioned earlier too difficult for leaf clean up.	Leaf bin insufficient				
Be able to put out on curb all green waste and tree branches, etc and not put them in bins. Again, go back to the way the old cleanup program	Put all green waste on				
worked. How much is the city recycling when it picks up items. Public would li,e to see reports on this.	curb, no restrictions	Service suggestion	Return to NCU		
Green waste takes care of itself if it is composted and isn't an environmental threat. See my previous comments.	Misc				
go back to curb pick up	Return to NCU				
	Offer a green waste				
a drop off place	dropoff				
	Do not need additional				
i don't need it - there are likely instances where some people do.	green waste service				
	Offer a green waste				
CENTRALY LOCATED DUMPSTERS LIKE THE GLASS RECYCLE	dropoff				
2 cans for leaves is not enough and for the additional cans the length of time isn't long enough	Leaf bin insufficient				
I think it's silly to have the street sweeper come through the neighborhood the week BEFORE any leaves start to fall. What is the reason for this	Street sweeper				
extra service?	complaint				
Would like a list of trusted, fair priced tree arborist provided by the city.	Service suggestion				
Would like a list of it dated, an preceduce aborit provided by the day. What's the deal with plastic bags? Where are we supposed to put them? Not in recycling, not in the trash, and I'm not entirely sure where they ge					
if I take them to Walmart.	Misc				
	IVIISC	Do not need additional			
	Use with the baselow				
My lawn service takes a lot of my green waste, but I still use the brown bins for some of it.	Use private hauler	green waste service			
	Provided designated				
	bulky green waste				
A designated day for green waste removal would make sense.	pickup				
	General positive				
It's a good service. It would be nice to hear more about the biodigester facility.	comment				
I would like it to be easily discoverable what happens to the green waste, and also to have access to the green waste (in the form of finished	More education on				
compost) to use on gardening projects. How would I get ahold of that info?	compost				
	Monthly bulk green				
Should be monthly. My previous city did this at no additional cost.	waste pickup	Service suggestion			
Boise has a great heavy duty/ large paper bag/leaf recycle program. Are yard waste bins used in similar fashion for compost?	Misc				
Food waste collection would be appreciated.	Collect more food				
l wonder about SLC trying annual clean up like othr Utah cities where a dumpster is placed, neighbors fill it. OR, if fearful of individuals hauling		Put all green waste on			
stuff in to fill the dumpster, going back to the annual pick up.	Return to NCU	curb, no restrictions			
I wasn't aware that I could have additional yard waste cans gratuit. I've been ordering "leaves only" can once yearly because so many leaves blow					
into my yard.	Misc				
	Put all green waste on				
The size of limb restriction on the collection makes it hard for some households to breakdown their branches.	curb, no restrictions				
you use to do a city wide cleanup of everything included in the price. Now we have to look for empty dumpsters around town to have stuff hauled		Existing programs too			
away. That really sucks. you have to go in the middle of the night to dump your stuff you use to haul away	Return to NCU	restrictive			
I would prefer putting my leaves in a bag for curbside pickup.	Return to leaf bags				
		Put all green waste on			
bring back the neighborhood pile trash pickup!!!	Return to NCU	curb, no restrictions			
	Misc				
Need to have service for clippings weekly or bi-weekly					
Need to have service for clippings weekly or bi-weekly its a desert, wake up	Misc				
Need to have service for clippings weekly or bi-weekly its a desert, wake up	Misc More education on				

strongly prefer the program that you got rid of to have everyone in an area throw out their bulk garbage at once and have a one time Clean up. It				
seems that more money is spent sending trucks all over every day as opposed to 3-4 specific days to go to one location. It is not environmentally				
friendly to send a truck to collect a half load for one home's bulk trash. l've also noticed that many people will drive around neighborhoods				
and pick up items that others have thrown out to reuse instead of filling the landfill with items people just donâ€ <sup>™</sup> t want and are of some value to				
another person. I've seen it happen a lot in my neighborhood when everyone had the same pickup day(s). It's not cost effective to do it				
with the new program when you're going every which way to just pick up a half a load. A lot of additional unwarranted air pollution.	Return to NCU	Misses scavenging		
I like that I can request extra green waste containers at peak trimming season!	Likes extra leaf bins			
At other times of the year I could use 2 green waste cans, but we are in winter right nowthe work is done.	N/A			
		Put all green waste on		
"need"? no, we make the current system work. it's just that the former system was better.	Return to NCU	curb, no restrictions		
our area has a dumpster 1 time a year which really helps the neighborhood clean up	Misc			
I really need the extra green waste disposal in the fall/early winter for leaves	Misc			
		Put all green waste on		
We want the scheduled once per year yard wast pickup reinstated.	Return to NCU	curb, no restrictions		
I don't need anything that calls for an additional fee	Keep it cheap			
Twice a week service for yard waste in the fall when the leaves come down?	Misc			
Pipe dream: the city delivers compost/mulch to your curbside.	Service suggestion			
	Service suggestion			
As I stated above, I was unaw Re that additional yard waste containers were available (in addition to the 8 week Leaves Only containers).				
Additional yard waste cans will be very helpful. Also, as stated above, it would be very helpful to pile leaves neatly in the street to be vacuumed				
up. I lived in several cities that did this. My concern is that I have over 100 trees on 1.25 acres (2 adjacent residences) and I struggle with the				
green waste produced using only one brown and one trash can on each property, Call 2 Haul, and 2 Leaves Only containers for 8 weeks.	Likes extra leaf bins	Vacuum up leaves		
I need another compost/yard waste can. I thought we only could have one	Misc			
Why are leaf bags not collected anymore? I have 20 in my driveway I've been putting in waste three bags at a time every week (since I can't put				
bagged items in yard waste). This was a loss of useful fall service imho.	Return to leaf bags			
Please see my comment on the previous page.	N/A			
	More education on			
Is it possible for the city to compost food waste - old veggies and such. That would be a huge improvement and a great benefit.	compost			
The compost cans are not especially, efficient when the leaves fall. Always takes me weeks to get them completely gone.	Leaf bin insufficient			
Our yard doesn't warrant more ways to unload green waste. We just make a pile and fill the cans several weeks in a row. Works out fine.	Nothing more needed			
Only if the city is able to compost what is picked up	Compost important			
		Put all green waste on		
Current Call-to-Haul Program restrictions are TOO difficult to attain, especially for older and/or ethnically challenged folk.	Return to NCU	curb, no restrictions		
i have my own truck, for green waste disposal, i have always taken care of that myself, I DO NOT LIVE IN AN APARTMENT!	Self-haul	Nothing more needed		
absolutely not necessary for us	Nothing more needed	Nothing more needed		
	Nothing more needed	Put all green waste on		
The yearly nick up was parfect, we could put out all our yard waste (fallen limbs) at ansa	Return to NCU	curb, no restrictions		
The yearly pick-up was perfect, we could put out all our yard waste (fallen limbs) at once.		curb, no restrictions		
I would like the availability to keep an extra can (or two) for longer than two weeks. I have a very large yard and could easily fill 3 90 gallon can a	Extra compost cans all	Comise averagian

Not year round but maybe August September October when I trim my trees and dig up my garden	Nothing more needed	
Call 2 Haul is too restrictive to reasonably use for tree limbs. They fall unpredictably and Call 2 Haul is once a year. Where is a person supposed to	Put all green waste on	
"stash" the limbs until such time as they can arrange Call 2 Haul?	curb, no restrictions	
What happened to orange bags and leaf pickup?	Misc	
I would like the regularly scheduled large waste days back.	Return to NCU	
I am going to ask Council Member Valdemoros about plans for food waste collection. This seems like an obvious concern and Wasatch Resource	Collect more food	
Recovery has figured a way to make money off food "waste"!	waste	
We liked the once per year pickup program that had been offered previously	Return to NCU	
I liked the previous program of city-wide bulk pickup once a year, where the whole neighborhood would put out piles of bulk items each		
spring/fall.	Return to NCU	
	More education on	
I would like a spring and fall call 2 haul yard waste pickup.	current services / C2H	
I canâ€ <sup>™</sup> t tell you how many times I have driven to the landfill and just barely made it there before closing time why canâ€ <sup>™</sup> t they start their day		
10 minutes later and stay open until 10 minutes after the closing time to accommodate people who are a few minutes behind and have full trucks		
of garbage or other items that need to be disposed of it seems like an easy solution but yet it never happens	Service suggestion	
Given the new information about resources made available this sounds sufficient.	Nothing more needed	
Only during high compost times, such as in the fall when there are a lot of leaves, otherwise, I wouldn't need it.	Nothing more needed	
Part of the beauty of my neighborhood is our large trees. The leaves off my small yard fill six yard waste containers each fall. Since the city		
cancelled it's bag collection program, it means that I must bag them all and put a portion out a week at a time until they're gone. Without		
the an extra can, it took me six weeks to get rid of all the bagged leaves. The leaves were damp when they were bagged and frozen when I would		
try to empty them. At my age, itâ€ <sup>m</sup> s not as easy lifting heavy things up to the top of the can. Very unpleasant experience.	Return to leaf bags	
Save money!!!	Keep it cheap	
For me, it would be great if the city could expand its recycling to include more items, especially plastic bags.	Misc	
Provide service to rack leaves to curb and then suck them up with truck weekly. They offer this service in Bountiful.	Vacuum up leaves	
I just fill up can and leave whatever doesn't fit until the next week.	Nothing more needed	
I just in up can and leave whatever adean the anti-the next week.	General positive	
love it	comment
