

# Wasatch Touring

"The outdoor community we belong to values the clean ethic of human powered outdoor recreation. We take the same attitude to the daily operation of our store. The entire team here at Wasatch Touring takes pride in our friendly service, great gear, and our earth friendly business climate".

— CHARLIE BUTLER

## RECENT MILESTONES

22.4 Kilowatt  
PV solar array  
on roof

90% of  
waste stream  
is recycled

Store-wide T-8  
energy efficient  
lighting upgrade

## ONGOING SUSTAINABILITY EFFORTS

Wasatch Touring donates  
spare bike parts to the  
Bicycle Collective

Employees are responsible  
for emptying recycling  
bins each day to reinforce  
recycling best practices

Wasatch Touring works with  
local suppliers to retrieve and  
transport inventory, reducing  
the need for pallets and  
other conventional shipping  
materials
