

Riparian Corridor Implementation Plan

Public Workshop Series 2 Response Form

Please use this Workshop Response Form to give us your input and suggestions for the improvement project prioritization process and creek crossing signs. If you need more space, feel free to attach additional sheets to this form. If you need more time, this form is designed to be mailed directly to the project team. Simply fold this form in thirds along the dotted lines and tape closed. Make sure the BIO-WEST address is on the exterior and don't forget the postage! Please provide your comments by Monday, April 16, 2012.

THANKS AGAIN FOR YOUR PARTICIPATION!

Which of the three creek crossing sign designs (Styles 1 through 3 in Figure 1 of handout) is your favorite? _____

Would you prefer a modified, "hybrid" design that mixes certain elements of each style? Yes No

If yes, please describe the specific elements (e.g. background color, type of logo, etc.) you prefer:

Please review the maps posted around the room that show possible sign locations. Please list any additional locations where you think signs should be installed: _____

Are there other types of educational signs related to riparian corridors that you would like to see?

Do you have any comments about the riparian improvement project prioritization process?

Any other comments? _____

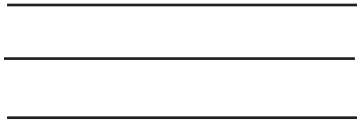

If you do not mind, please provide us with your name and address:
